

PASTORS GIVE REASON FOR BIBLE SCHOOL

ATTENDING SUNDAY SCHOOL IS
DUTY AND IMPORTANCE IS
STRESSED IN STATEMENT

Many of the members of the Cameron churches do not attend Bible school. Just why they do not avail themselves of this unusual privilege is a question that we cannot answer. To speak of Bible school attendance as a privilege, we feel is to speak correctly, for in this the most important agency of the church, we are best enabled to keep our minds open for spiritual development. Learning new truths about Christ and His greatness should be, and is the true object of every Christian. And where can we better learn this than in the class rooms of our Bible schools where we come and meet the self sacrificing, efficient instructors who so freely give their time that we might have the very best.

The attendance at Bible school is more than a privilege to the church member, it is a sacred responsibility that we owe to God and our fellowmen. We owe it to God because it is His agency for the renewing of our minds and rebuilding of our spiritual natures. The responsibility to our fellowmen is manifest by the example we set before Him, 'For know ye not that you are your brothers keeper,' and that he expects you as a member of the church to set a good example.

There are fifteen hundred active church members in Cameron and about six hundred inactive members but only about one thousand that attend Bible school last Sunday and many of these are children who are not members of the church.

Men and brethren of the churches of Cameron, what will you do with your privilege and responsibility? Will you assume it and enjoy it or will you shirk it and regret it when you see the fruits of your negligence producing crime in the next generation? Surely with the good women and children leading, we men will step into the ranks as becometh the men that we are and see that there are eighteen hundred in Bible school in Cameron next Sunday morning.

Easter is a glorious season. Let's make it most glorious by being present at the Lord's House in time for Bible school and remaining for church.

Yours for victory in Christ,

Sunday To Culminate Attendance Campaign For Sunday Schools

With next Sunday, April 20, culminating the Sunday school campaign, in which a goal of an attendance of 1800 in the churches of the city was set for Easter Sunday, teachers and officers of the various Sunday schools held a rally meeting at the Methodist church last Sunday afternoon. Mr. Graham Gillis, superintendent of the Presbyterian Sunday school presided over the meeting.

Suggestions were made for encouraging people of the city to attend Sunday school next Sunday and instructions were given the various teachers and officers. Messrs. Roy Baskin and Charles McGeehe, superintendents of the Methodist and Baptist Sunday schools respectively, made short talks as did also several others present. Musical selections on the program consisted of a vocal solo by Mrs. A. J. Triggs and a mixed quartette by Mrs. Wilson Gunn, Miss Bess DuBois, L. C. Gayle and John Hays.

Religious services in the city Sunday are to begin with a sunrise prayer service at the City Park, the time being 5:18 Central Standard Time. A special program has been arranged for the meeting.

Humble Lets Contract For New Station Here

Contract has been awarded to J. G. Chandler of Cameron, contractor for the construction of a new service station for the Humble Oil and Refining Company. This station is to be located on the Buckholts road next to the Southern Pacific line where the store of the late Ed Harris was located.

Materials for this station is to be furnished by the Grant Lumber Company of Cameron. It was announced by F. R. Dunlap, manager of the yard here that the company contemplates spending approximately \$10,000 on the new station and when completed it will be one of the best in the entire city.

PENN WOLF CANDIDATE FOR DISTRICT CLERK

POPULAR DISTRICT CLERK ASKS
RE-ELECTION AT JULY
PRIMARY

Penn Wolf, popular district clerk for Milam county, is a candidate for re-election to that office subject to action of the July 26th Democratic primary election.

The announcement of Mr. Wolf as a candidate to succeed himself in this office will be received with interest by his many friends in Milam county. Mr. Wolf has served the people well in this capacity and in asking for re-election submits his record as a public official. He needs no introduction to the people of this county. His fine personality and outstanding ability to transact the duties of this office are the commendable qualities that have made him one of the most popular officials ever to serve the people of Milam county.

Mr. Wolf has served the people in this office a number of years and the work he has done has added much to the efficiency of the court and the business of the people in this office. He promises to continue the good service he has rendered and he asks his many friends over the county to give him their support and influence at the Democratic election.

This is one of the most important offices in the county and Mr. Wolf looks with pride to the record of service he has made for the people and they will be interested in his announcement and will give him their support for re-election to this important office.

L. B. FIKES CANDIDATE FOR COUNTY TREASURER

EFFICIENT TREASURER OF MILAM
COUNTY ASKS ANOTHER
TERM IN OFFICE

L. B. Fikes, county treasurer for Milam county, is a candidate for another term in this office, subject to action of the Democratic primary election to be held on July 26. The announcement that Mr. Fikes will again be a candidate for this office will be received with interest by his friends and the people at large over the county.

Mr. Fikes submits his record in office and asks the vote and support of the people based on his record of service during the period he has held this place of responsibility in the county government.

As county treasurer Mr. Fikes has the responsible duty of handling the county funds and upon the proper supervision of these funds together with the efficiency in the records he keeps depends the measure of satisfactory service he can render the people. Mr. Fikes and his many friends take pride in the record of efficient service he has made in this office. His announcement will be received with approval by the people and they will be glad to know that he is again to offer for this place of service.

Mr. Fikes was born and reared in this county and is well known to the people. He has rendered an indispensable and appreciated service as county treasurer and in offering for re-election gladly submits his record of service and pledges his continued good efforts at rendering efficient service in the future.

The records of his office are kept correctly and all funds passing thru his hands have been properly accounted for and his deserving claim for another term in this office will be received with approval by the people. Mr. Fikes is indebted to the people and to his friends everywhere for their support of him and he asks their support again with the assurance that it will be greatly appreciated. He plans to see and talk with the voters as much as possible and solicits your support.

DANCE AT SKEEZIX

Manager Elwood Cammer announces a dance for Skeezix on Saturday night April 26 with music by the Happy Seven. This popular musical organization has a large number of friends in this community and the announcement of their return for the dance on April 26 will be received with acclaim.

New City Marshal Is Given Oath Of Office

Gene Smith, city marshal, received the oath of office at the regular meeting of the council on Monday night and has taken charge of the office to succeed B. Slocumb.

Mr. Smith retained all the deputies in office: Will Cook as night watchman and fire marshal; Dan Lunsford and Joe Richter as deputies. Mr. Smith was nominated in the city primary in February receiving a majority of votes cast and has assumed the duties of the office.

Mr. Smith by experience and equipment will be able to serve the people well in this office and he has pledged his best efforts to the enforcement of the law and the administration of the duties of this office.

All other officials elected were given the oath of office also and all have begun their new terms.

L. BLAYLOCK CANDIDATE FOR SHERIFF OF MILAM

DISTINGUISHED OFFICER SUB-
MITS CANDIDACY FOR RE-
ELECTION AT JULY PRIMARY

L. L. Blaylock, sheriff of Milam county, is a candidate for the nomination to that office subject to action of the July 26th Democratic primary election and in offering for another term in this office submits to the people a record of service that cannot be excelled by any other sheriff in Texas.

The announcement that Mr. Blaylock is to be a candidate for another term in this office will be received with interest by his friends and the people generally of this county whom he has served faithfully and well.

Frequent comment is made thruout Texas on the record of law enforcement in Milam county and many times state officials have pointed with interest to the record made by the sheriff of Milam county. Mr. Blaylock naturally takes pride in the record he has made and he pledges his continued good efforts in the discharge of the duties of this office.

Judged by his record and his experience and attainments as a peace officer, the record of Mr. Blaylock will become in time one of the traditions of Southwestern police history. By his friendly methods but stern fidelity to duty Mr. Blaylock has endeared himself to the people of this county over the period he has served in this office. He has been successful in every way in the enforcement of the laws and the records of the court here will give evidence of that fact. Mr. Blaylock by training and experience and natural ability has made an outstanding peace officer and has been faithful in the discharge of his duties, always surrounding himself in office with deputies who are capable and honorable in their transactions at all times.

Notably among the services rendered by Mr. Blaylock has been the apprehension of thieves and the recovery of stolen property. In this way he has saved the victims of robbery many hundreds of dollars and at expense to himself in many instances, placing duty above all financial considerations.

The fact that the record of law enforcement in Milam county is one of the best in Texas shows the record he has made.

Mr. Blaylock is too well known to the people of this county to offer introduction. He submits his candidacy based on the record he has made and his ability to serve in this capacity and his announcement will be received with approval by the people. He asks your vote and support at the July primary.

Mammoth Fossils Are Found In Curry Pit

Gravel haulers for the city of Cameron Tuesday unearthed a seven foot usk and some leg bones of a mammoth in the Curry gravel pit north of Cameron. In response to the find Dr. Sellards of the University of Texas was in Cameron Wednesday.

The fossils were purchased by Dr. T. Slaughter and will be delivered to Dr. M. Francis at A. & M. College. A large number of fossils have been taken to A. & M. from this county and the Curry pit has produced a large number of them.

ROY LAW CANDIDATE FOR TAX COLLECTOR

POPULAR OFFICIAL SUBMITS
RECORD IN OFFICE AND ASKS
FOR ANOTHER TERM

Roy Law, tax collector for Milam county, is a candidate for re-election to that office subject to action of the Democratic primary to be held on July 26.

In submitting his candidacy for re-election Mr. Law offers to the people of Milam county an excellent record as tax collector and the people will receive with interest the announcement and will approve the record he has made since he was elected to this responsible place in the county government.

Mr. Law as tax collector for the county has been active in the service of the people, has taken an interest in tax matters and has acquired a wide knowledge concerning his duties. In this way and in others he has brought to this office an unusual enthusiasm for good service and his record will compare with that of any similar official in the state who has rendered distinguished service with a close application to the duties incumbent on him.

Mr. Law submits his record and asks for the support of the people on the service he has rendered, pledging himself in the future to render the same service as he has given in the past. In many ways Mr. Law has distinguished himself for unselfish service. Notably in the collection of delinquent taxes, it should be remembered that Mr. Law performed these duties without cost to the people other than his regular fees of office and in this way saved the people a considerable sum of money.

Of special interest in connection with the service rendered by Mr. Law is the following comment taken from the annual audit of the affairs of this office by the Rankin Audit Company, certified public accountants of Houston:

'Exhibits A and B are summaries of Mr. Law's accounts covering taxes collected for the years ending March 31, 1928 and March 31, 1929, which reflect that all collections made by him for the county and its various sub-divisions during the period have been properly accounted for.

'Exhibits C and D are statements of fees of office received by Mr. Law for the years 1927 and 1928, which reflect that for the year 1927 there accrued to the county \$970.28 in excess fees which was paid to the county treasurer on deposit warrant No. 2045. For the year 1928, after paying his deputies and expenses, Mr. Law lacked \$569.06 of making his salary, \$2750 from accountable fees.

'We report that for the period under review, Mr. Law has collected \$735,329.55 for the county and its subdivisions which has been reported and paid over to the proper authorities without a cents discrepancy. This is so remarkable that we could not refrain from commenting on it. Such a perfect record can be realized in only one way, and that is by maintaining a modern system of accounting which permits of an internal check of all receipts and disbursements.'

Mr. Law submits this record and asks the vote and support of the people for re-election.

Star Hotel To Open Within A Short Time

The Lone Star Hotel, damaged by fire in 1929, and recently purchased by E. L. Brod, has been leased to J. D. Fikes and will be re-opened within the next ten days according to Mr. Fikes.

Mr. Brod has had a force of workmen on the structure for the past several weeks and the hotel is being made modern in every way. The rooms are being re-furnished and each room is to have hot and cold running water, electric fans and gas heat. In addition ventilation is being cared for and every effort is being made to make the hotel modern in every way. The completion of this hotel will give Cameron added facilities and the people here congratulate Mr. Brod on his progressive spirit.

Mrs. J. W. Coleman and daughter, Miss Sallie Coleman, Mrs. Conn Miller, Mrs. J. H. DuBois and Miss Bess DuBois formed a party spending last Saturday in Waco.

Club Postpones Naming Of Secretary Here

The Commercial Club at its regular meeting on Monday night voted to postpone election of a secretary until the next meeting which will be held on Monday night, April 21. William Cobb, secretary is not an applicant for the place, but his friends are insisting that he accept the place for another term.

President Lesovsky appointed a committee at the meeting but the committee could not agree on a selection and the matter has been held in abeyance until the next meeting.

Considerable interest is being shown in the census enumeration and the people are urged to co-operate with the enumerators that Cameron may receive the advantages of a full count.

Similar action is taken by the county and this week efforts are being made to stimulate interest in the towns and rural sections.

HOMER NABOURS IS CANDIDATE FOR CLERK

EFFICIENT CLERK OF COUNTY
ASKS SECOND TERM
IN OFFICE

Homer Nabours, county clerk, is a candidate for a second term in that office, subject to action of the Democratic primary election on July 26 and in asking for a second term in this office submits his record of service to the people.

His announcement for re-election to a second term in this office will be received with interest by his many friends and the people at large whom he has served with unusual efficiency and courtesy.

When Mr. Nabours was elected to this office he promised the people he would give his close attention to the duties of the office and he has fulfilled that promise in every way. His record has impressed the people who have had dealings with that branch of the county government and at the polls in July they will give him their support. Mr. Nabours is a popular official and known personally practically every person in this county. His wide acquaintance has given him an unusual touch with the people and it has enabled him to render a distinguished service to them.

The records of this office under his first two years of administration will show that he has brought to the affairs of this office an unusual ability, maintaining at all times high standards of efficiency and the best of assistants to carry on the work of the people as county clerk.

Mr. Nabours submits his candidacy based upon the record he has made in this office and asks your vote and support at the coming primary election. He was born and reared in this county and he needs no introduction to the people. If given a second term in this office Mr. Nabours will continue his best efforts to render a faithful and efficient service and he feels that his experience for the past term will enable him to be more efficient in the future and in asking for another term he pledges his continued interest in the details of this work which he has been able to discharge by reason of his unusual abilities.

Mr. Nabours plans to see as many voters as possible during the campaign period and will discuss with them his candidacy for this office. The vote and support of his friends and the people will be greatly appreciated.

Attends Frigidaire Meeting In Houston

H. C. Keith has just returned from Houston where he attended a meeting of Frigidaire salesmen for this district. This week he has on display a Frigidaire under heat showing the remarkable operation of this freezing plant.

This display will attract considerable attention and is the first of its kind seen here. Mr. Keith looks for a big year in Frigidaire sales.

DANCE AT NEW NATIONAL

A dance at New Bohemian National Hall has been announced for Thursday April 24. The music for this dance is to be made by Jamie Clark. These dances are popular with the people and those in charge are expecting a large crowd for the entertainment.

H. A. FUCHS CANDIDATE FOR CO. COMMISSIONER

COMMISSIONER PRECINCT NO. 1
SUBMITS CANDIDACY TO
PEOPLE

H. A. Fuchs, county commissioner for Precinct 1 of Milam county is a candidate for re-election to that office subject to action of the Democratic primary election to be held on July 26.

Mr. Fuchs has served the people of his precinct well and his announcement will be welcomed by the people who appreciate the unselfish and efficient service he has rendered. As a member of the Commissioner's Court Mr. Fuchs has rendered a distinct service to the people of the county as well as the people of his precinct. He is a practical business man and understands the problems of the county and the construction of roads and the work he has done since he has held this office has been satisfactory in every way.

Mr. Fuchs is very busy at this time in road work. The bad weather conditions during January and February placed a burden on him as well as other precinct commissioners and he does not feel that he can neglect his duties at this time to canvas the voters. However in a short time Mr. Fuchs will meet the voters and discuss with them his candidacy for re-election.

The work of Mr. Fuchs as commissioner has been an inspiration to the members of the court and his ability and foresight has resulted in a commendable management of the affairs of the county. His many friends over the district will be glad to give him their vote and support in the coming primary election.

Banks To Close Here Monday, April 21st

NEW GULF STATION TO OPEN SATURDAY

MAIN AND CROCKETT SERVICE
PLANT TO GREET CUSTOMERS
APRIL 19TH

The new Gulf service station completed at the corner of Crockett and Main streets near the Baptist church will be opened on Saturday, April 1 according to W. R. Hoover, local agent for the Gulf Refining Company.

In this issue will be found an announcement telling of the opening of the new station on next Saturday. The station was constructed on the site formerly occupied by the Posey home for which the oil company paid \$10,000. The station is one of the most attractive service plants for the Gulf Company in this section of Texas and is a civic improvement for Cameron.

Mr. Hoover is being congratulated on securing this station for Cameron and he hopes to see a large number of customers on the opening date next Saturday.

The products to be sold are that Good Gulf Gasoline, No-Nox motor fuel and Gulf Supreme motor oils.

CORRECTION

The management of the Herald wishes to correct an error made last week in the publication of a story concerning the city election in which it was said that Logan Green, alderman, had resigned his place and is moving to Alabama. This was reported to The Herald but we are glad to state this is an error. Mr. Green has not resigned his position as a member of the Council and he is to reside in Cameron. Mr. Green will not move to Alabama or any other city. "I find no place that looks as good to me as Cameron," said Mr. Green, and his many friends will be pleased to know he is to remain in this city. He has leased the Green Produce business to A. W. Essling, and has temporarily retired from business here.

Court House News

E. D. Atkinson of Maysfield was on our streets last Friday.

George S. Graves of Rockdale was attending to business in Cameron this week.

Mrs. Dr. Vol Reed of Holland, is in Cameron this week visiting relatives and friends.

Miss Gussie Caldwell left last Sunday afternoon for Caldwell to be absent several days visiting friends in that city.

Hon. T. S. Henderson returned from Austin Wednesday morning of this week having gone there to attend the funeral of Judge Collard.

W. H. Triggs of this city, has associated himself with Messrs. L. B.

Wright and W. M. Ainesworth in the hardware business at Rosebud. The new company will be incorporated with a capital of \$20,000.

Judge E. L. Anthony, pastor of the Baptist church at Henrietta, spent several hours last Thursday in our city greeting his old friends. He had been to Austin and came to our city enroute home, and his Cameron friends were very glad to see him.

On Wednesday evening of last week while Mesdames Anna and May Crawford were driving to the Sap depot to meet the north bound passenger, their horse became unmanageable, running their vehicle up against a telephone pole. Both the ladies were thrown out, receiving scratches but not seriously hurt.

The strawberry and ice cream supper given last Thursday evening at the Stafford building to raise funds to defray the expenses of the Cameron fire department while attending the competitive races at Waco next month was a most gratifying success. Mr. John T. Arnold undertook the work of soliciting donations to provide for the supper and after having made about a half canvas of the city he left the task in the hands of a committee of ladies who completed the work of soliciting.

The supper was one of the most enjoyable and the attendance was large. The tables were tidily decorated and a bevy of young ladies attended to the wants of guests. The string band furnished delightful music and in addition to this T. L. Rose was present with graphophone to amuse those in waiting.

A feature of the entertainment was the election of a sponsor for the department for the ensuing year. Ballots sold for 10 cents each and the contest was quite spirited. When the votes were counted it was announced that Miss Minnie Camenish had won, receiving 304 votes, against 290 votes for Miss Margye Robinson, the next on the list. The following young ladies received a large number of votes each: Misses Lula May Hefley, Mary Rogers, Ethel Lankford, Carrie Williams, Lucy May Johnson, Lizzie McCord, Mo Kemp, Sallie Garrison, Maggie McFall and Fannie L. Hicklin.

The total receipts amounted to about \$100.00, a net sum of some \$70 being realized. Our fire department is one of the best in the state in point of zeal and efficiency and the boys heartily appreciate this recognition of the value of their services, and to this we add that it is no more than they deserve.

Master H. F. Smith entertained a large number of his friends last Friday evening, music and games serving to delightfully entertain the guests. Refreshments were bountifully served. Master H. F. was assisted by his sister, Miss Lilla, under whose charming supervision the guests were made to feel happy and merry. All joined in returning thanks for the lovely evening's diversion.

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's prices include only reasonable charges for delivery and financing. Easy G. M. A. C. Terms.

There is one sure way to get greater value in a low-priced car today—choose a Six!

This greater value is instantly obvious when you drive a Chevrolet Six. You notice first of all its greater smoothness. There is no tremor in the steering wheel—no rattle in the floor boards—no drumming in the body.

In addition to the finer performance of its six-cylinder motor, the new Chevrolet gives you truly remarkable economy.

Its six-cylinder smoothness saves the entire car from the strain and wear of vibration. This, of course, lowers the cost of maintenance and assures a longer-lasting automobile.

From the standpoint of operating expense, Chevrolet is equally economical. No automobile uses less gasoline and oil. No car shows a lower expense for tires. And no car costs less for service.

Because of its modern engineering, Chevrolet also assures a

high re-sale value—for its entire design is just as advanced as its six-cylinder engine.

Chevrolet gives you fully-enclosed, weather-proof, 4-wheel brakes. It gives you a modern fuel system—with the gasoline tank mounted in the rear outside the body. It gives you four long semi-elliptic springs, mounted lengthwise in the direction of car travel. It gives you beautiful Fisher bodies built of combination hardwood-and-steel. It gives you a full ball bearing steering mechanism, an adjustable driver's seat, a Fisher VV non-glare windshield, and tilting beam headlights, operated by a foot-controlled button.

Before you decide on any car in the low-price field, see and drive the Chevrolet Six. The more thoroughly you investigate, the more certain you are to conclude that it's wise to choose a Six—for value, for performance and for economical transportation!

PAINS QUIT COMING

Kentucky Lady Took Cardui
and Tells How She Was
Greatly Benefited.

Hopkinsville, Ky.—"I used to have headache and dizziness, and at times would have severe cramping spells," says Mrs. Mackey Scott, of 102 South Kentucky Ave., this city.

"This unfitted me for my work or any pleasures that I wanted to enter into. I am naturally a very active woman and I did not feel like I wanted to give two or three days at a time to aches and pains. So I looked around for a remedy.

"I had heard a great deal about Cardui and seeing it advertised I decided to take it. I took four bottles and it did me a world of good. It seemed to regulate and strengthen me. I quit having headaches and felt fine.

"I have never ceased praising Cardui to my friends and neighbors for what it did for me."

For more than fifty years, women who had suffered, or who had gotten into a run-down, weak condition, have been enthusiastic in praising Cardui for the benefits obtained from its use.

Cardui is extracted from herbs having high medicinal value, and contains nothing harmful or injurious. Get a bottle of Cardui from your druggist, today, and try it in your case.

FATHER OF GEORGE M. CAY DIES IN SCOTLAND MONDAY

On Monday of last week our fellow townsman, Mr. George M. Cay, who is connected with the Schuhmacher Company, received a cablegram announcing the death of his father, George Cay, Sr., in Aberdeen, Scotland.

The Cay family have lived in Aberdeen for generations and are recognized factors in the civic and religious life of that city.

Mr. Cay Senior was 79 years of age at his death. He left surviving him his wife and ten children, six sons and four daughters. He was a life long member of the Crown Street Presbyterian church of Aberdeen and had been an elder in that church for many years prior to his death.

A memorial service was held on Wednesday night, April 9 in the First Presbyterian church here, of which church our Mr. George M. Cay is a member. Comforting passages of scripture dear to this father in Israel were read and his favorite hymns: 'Abide with Me,' 'One Sweet Solemn Thought,' and 'God be with You till we meet Again' were sung.

Mr. and Mrs. George M. Cay have made a warm place for themselves in the hearts of our people during their residence here and they have the sympathy of all of us in this time of sorrow.

MRS. CHAS. POLLARD HOSTESS TO GOOD CHEER CLUB HERE

Mrs. Chas. Pollard chose an Easter motif for game appointments when she entertained members of the Good Cheer Bridge Club at her home last Friday afternoon. Radiance roses furnished floral decoration, table covers were in lavender and tallies were cleverly designed from Easter greeting cards.

Mrs. Wilson Gunn made high score for guests, Mrs. Conn Miller for club members and Mrs. Bob Terry was low.

Following the games, the hostess served a salad and a dessert course with an iced drink. Trays were used for serving and they were centered

with an Easter nest, in which were miniature white rabbits for low cuts and a decorated box of darning cottons for high cuts.

Guests other than club members were Mesdames W. O. Newton and Wilson Gunn and Misses Clara Thomas, Beth Jeter and Bess DuBois.

Mrs. Eber Flinn was hostess to Ye Merry Wives Bridge Club Friday afternoon. High score was won by Mrs. Charlie Frank Green. The hostess served light refreshments at the close of the games.

MISS ARNA MAY MEARS BECOMES BRIDE OF MR. JAMES TAYLOR MOSS, JR. AT GATESVILLE TUESDAY MORNING, APRIL 15

Of interest to the many friends of Misses Gladys Davis and Imogene Sapp will be the announcement of the marriage of their sister, Miss Arna May Mears of Gatesville, to Mr. James Taylor Moss, Jr., of Port Arthur on Tuesday morning, April 15, at ten o'clock, at the home of the bride's parents, Mr. and Mrs. Tom Mears, at Gatesville. The romance began when the contracting parties were students at Baylor University some two years ago.

The beautiful ring ceremony was read by Rev. Ward, pastor of the Methodist church at Gatesville, before an improvised altar of larkspur and ferns, arch-shaped, with a wedding bell suspended at the central point. The living room of the Mears home was decorated with pink and lavender larkspur and corn flowers and these were interspersed with Easter lilies and fern forming a lovely setting for the nuptials.

The musical program preceding the ceremony was given by two sisters and a cousin of the bride. Miss Imogene Sapp of Cameron, wearing a beige chiffon, played a violin solo, 'Traumerie,' by Schumann, and she was accompanied by Miss Gladys Davis also of Cameron, who wore shell pink chiffon. The wedding song 'I Love You Truly,' was sung by a cousin, Miss Ada Mears of C. I. A. Denton, who was gowned in peach chiffon. For the processional Miss Sapp and Miss Davis played the traditional 'Lohengrin's March.'

Ushers were young Tom and Sonny McClellan of Gatesville, who were dressed in white sailor suits with wide black shashes. A third sister of the bride, Miss Sybil Allgier of Ft. Worth was maid of honor. Wearing coral chiffon, she entered with the best man Dudley Oldham of Baylor University. Little Mary Margaret Holmes of Gatesville, fairylike in pink chiffon, scattered rose petals in the path of the bride, as she approached the altar where she was joined by the groom. Contrasting with the shades of pink noted in the gowns of the attendants was the dress of the bride, which was fashioned of a rich pinkish blue chiffon. She wore black slippers and hose and carried an arm bouquet of pink bride's roses. The attendants wore corsages tied with ribbon the color of their dresses.

Immediately after the ceremony, Mr. and Mrs. Moss left for Austin, San Antonio and other points south. They will be at home in Port Arthur in about two weeks. The bride chose for her traveling costume a beige tweed suit with harmonizing accessories.

Attendants of the bride were remembered with lovely hand painted pictures, the scene being a hill near Gatesville said to be the exact center of the state of Texas. She herself was the recipient of many beautiful wedding gifts.

The bridegroom is the youngest son of Mr. and Mrs. James Taylor Moss, Jr., of Sabine Pass.

The bride is well known in Cameron, having visited here on several occasions with her sisters, Miss Imogene Sapp and Miss Gladys Davis. The four sisters, Misses Sapp and Davis, Miss Sybil Allgier of Fort Worth and the bride enjoyed a house party at the Mears home in Gatesville for several days prior to the wedding.

PRESBYTERIAN AUXILIARY

The Presbyterian Auxiliary met in circles Monday afternoon for Bible study. Circle one met with Mrs. G. E. Sutton and she also led the lesson. Circle two met with Mrs. Will Ford, and Mrs. C. W. Lawrence led the lesson from the book of Acts.

Mr. and Mrs. J. H. Sapp had as their guests Monday their son, H. M. Sapp and his wife of Galveston. They left Tuesday for Hillsboro, Dallas and Fort Worth and will return to Cameron for another visit the latter part of next week.

Makes Ice Despite Great Heat

INTENSE interest has been aroused by the heat test being shown in Frigidaire display windows throughout the United States, where subjected to temperatures of 120 degrees, this electric refrigerator freezes ice cubes. This unusual demonstration followed engineering research to determine the maximum temperature under which this could be accomplished. With sides of the cabinet subjected to a radiant heat temperature of 180 degrees, tests showed ice could be frozen.

DELEGATES ARE NAMED PARENT-TEACHER MEET

DELEGATION TO ATTEND CONVENTION IN MARLIN ON APRIL 28, 29 AND 30

Cameron delegates to the district convention of Parent-Teacher Associations to be held at Marlin, April 28, 29 and 30, were appointed by Mrs. H. E. Garner, president at the regular meeting of the local organization at the Yoe high school library last Thursday afternoon. Those named were Mesdames J. B. White, J. P. Love and E. A. Wallace of the parents Miss Irma Porter from the Ada Henderson building and either Miss Mary Lake Henderson or Miss Jollye Blanche Pitts of the high school faculty. The Cameron organization has a chance to win two or more loving cups at the meeting and therefore it is hoped that we may be well represented.

Officers for next year are to be elected at the next meeting of the P. T. A., which will be on the second Thursday in May, and in view of this fact Mrs. Garner appointed the following nominating committee: Mesdames J. C. Martin, J. P. Love, Hendry Hefley and J. B. White and Miss Grace Mangum.

Mrs. Ben Atkinson brought a report of the meeting of the County Council of Parent-Teacher Associations, which was held at Hoyte on April 5. At this time the following new officers were elected: Mrs. Clyde Hensley of Hoyte, president; Mrs. Earl Leach, of Minerva, vice president; Mrs. W. P. Elliott of Buckholts, secretary, and Mr. Monroe Walker of Friendship, treasurer (re-elected). The County Council, according to Mrs. Atkinson's report, voted to give to its retiring president each year a life membership in the National Congress of Parents and Teachers and this year the gift goes to Mrs. E. P. Survan of Thorndale. Earlier in the year the council bestowed a similar gift on Mrs. Kathryn Robbins, county superintendent.

Following the transaction of business at the meeting Thursday, Mrs. H. E. Garner gave a resume of the year's work of the Parent-Teacher Association, summarizing in splendid manner the achievements and giving the exact status of the club at the present time. As a tribute to her for her faithful service during the year as president, those present, led by Mrs. T. A. Fisher, gave Mrs. Garner a rising vote of thanks.

In the attendance contest being conducted in the Ada Henderson school the fourth and fifth grades tied for the award, a pot plant.

CHRISTIAN CHURCH

The revival started last Wednesday evening and is attracting very good audiences. Rev. Arthur Hyde is the evangelist and his messages are very inspirational. Rev. Hyde was with us last year and says now that he sees a marked improvement in this congregation. Mrs. Hyde has charge of the junior choir and in response to her efforts the children read the scriptures and sing for us at each evening service.

The meeting will continue through Sunday evening. Thursday evening the sermon was 'Jesus on Trial,' Friday evening 'The Crucifixion—An Atonement for Sin,' Sunday morning 'The Risen Lord,' and Sunday evening 'The Significance of the Resurrection.'

Sunday school Sunday, April 20 will be at 9:45 a. m., the respective church hours are 11 a. m. and 8 p. m., and both C. E. Societies will meet at 6:45 p. m.

MODEL GAS KITCHEN ON WHEELS SHOWN IN CAMERON TRADE DISTRICT

The Lone Star Gas Company has recently introduced a novel method of demonstrating compressed natural gas delivered in portable steel cylinders to homes not having pipe line gas service.

A model kitchen shown in Cameron trade district this week has been especially designed and constructed on a truck chassis. This traveling kitchen tours the suburban communities of Texas giving special demonstrations with compressed gas.

The interior of the truck is equipped with standard gas appliances, including a cook stove, water heater, refrigerator, lights, small wall heater and iron. These appliance receive a supply of gas from a standard installation mounted on the rear in a

steel cabinet exactly the same as the installation for service in the home.

Two cylinders are included in the installation. As one cylinder becomes empty it can be cut off and the other turned on; the empty cylinder can be replaced without interrupting service.

The Community Natural Gas Co., of Temple, the distributor of STAR-GAS in this territory brought this kitchen to this district.

Manager George Gott of the local office is pleased with the reception to the new equipment and the favorable impression made on the people. The slogan, 'Stargas starts where gas mains stop,' is proven because it is now possible to have gas in the rural homes and all conveniences that goes with it.

Old Resident Visits Friends In Cameron

Sam Reese, former resident here and a pioneer of Texas, now residing in Runnels county, was in Cameron Friday to visit with old friends here. Mr. Reese is a brother of the late Dr. J. C. Reese and spent many years in Cameron as a resident.

When a correspondent of this newspaper met Mr. Reese he was discussing the progress of Cameron with T. S. Henderson, Sr., an old friend. They came to Cameron at practically the same time back in the seventies. Mr. Reese told many interesting stories of the old days. He

said he plowed cotton where the Yoe High school building now stands and that on a recent visit here went out to view the surroundings of the old field, finding buildings and many beautiful homes. He said he was quite lost in the new surroundings.

Mr. Reese has been engaged in farming and stock raising out in Runnels county for a number of years. He was on his way to visit friends near Waco before returning to his home near Ballinger.

NO MEDICINE EVER HELPED AS DID KONJOLA

TULSA LADY IS ENTHUSIASTIC ABOUT NEW MEDICINE—'BEST IN THE WORLD,' SHE SAYS

'No medicine ever helped me as did Konjola,' said Mrs. G. I. Crabaugh, 739 Quaker street, Tulsa. 'For more than nine years I had trouble with my stomach. Gas accumulated after meals and I bloated terribly. The pains and pressure often made me short of breath and dizzy. Constipation was another of my worries

MRS. G. I. CRABAUGH

and I became an almost daily user of cathartics. I had terrible headaches and found it difficult to sleep. My nerves became badly affected and my general condition badly run down.

'I am delighted with the results I obtained from Konjola. Before I had finished the second bottle my constipation had been relieved and my stomach greatly improved. As I kept on with this great medicine my general health improved until I am feeling better today than I have in a long time. I have an excellent appetite and eat heartily without distress. Even neuritis which attacked me occasionally has been totally driven from my system. I cannot say too much in praise of this great medicine.

Though Konjola works quickly, six to eight bottles are recommended as a fair trial. Although many people are benefitted within a few weeks, the longer period is best.

Konjola is sold in Cameron, Texas, at the George A. Thomas & Sons drug store and by all the best druggists in all towns throughout this entire section.

Mr. and Mrs. Ben Atkinson attended the Round-Up festivities at the University of Texas last week end and visited their daughter, Miss Florence Atkinson. They went to Austin by way of Giddings, where they were joined for the remainder of the trip by another daughter, Miss Katherine Atkinson, who teaches at Giddings.

COATED TONGUE

Often Sign of Biliousness That Indicates the Need of Black-Draught.

Austin, Texas.—'In the sixteen years of my own housekeeping, Thedford's Black-Draught has been my best stand-by in the way of medicine,' says Mrs. J. M. Rich, of 1700 Holly Street, this city.

'I have found Black-Draught to be the best medicine I have ever used for the relief of colds. I have been using it in my home for years. My father used it also in his home and gave it to us children. Whenever we had the usual children's complaints, mother would make up a tea of Black-Draught and give us. We always felt better after taking it.

'I also give it to my children when they have colds or upset stomach. Sometimes they get feverish from biliousness. If they begin to get yellow, or their tongues are coated, I make a tea (of Black-Draught) and give to them in small doses. They don't mind taking it at all.'

In thousands of families, Thedford's Black-Draught has a corner all its own on the medicine shelf. In use nearly 100 years.

Thedford's Black-Draught is a purely vegetable medicine, free from harmful mineral drugs. Costs only 1 cent a dose. NC-237

Balmy Texas Weather Not Like The Snows In Far Away Erie

Louis Siedelmeyer of Erie, Pa., father of Mrs. F. C. Fahrendorf is in Cameron on a visit and will probably leave for his home next Tuesday. He has just received a clipping from his home paper telling of the weather there as follows:

Although maintenance crews of the state highway department worked all last night trying to clear snow-blocked roads in the extreme northwest part of the state, three sections of highway in Erie and Crawford counties were reported closed Wednesday.

On six other thoroughfares traffic in spots was restricted to the use of one-way lines, due to drifted banks of snow.

For 48 hours continuously snow crews of the highway department battled with the worst April blizzard that has swept over any part of Pennsylvania in years.

Between Cambridge Springs and the Erie county line the Lakes-to-Sea highway, Route 5, was reported closed by snow drifts, while Route 19 has one-way traffic lanes between Cambridge Springs and Erie city.

Route 8 from Wattsburg to Erie, and Route 89 from Wattsburg to North East, are closed by drifts.

One way traffic lanes have been opened on Route 19, Erie to Cambridge Springs; Route 18 Girard to Albion. Route 79, West Springfield to county line; Route 8 Union City to Titusville; Cambridge Springs to Erie county line and Route 18, Conneautville to Erie county line.

Quarterly Report Of The Jones Prairie Epworth League

We are glad to report that our League is alive, wide-awake one, though some might feel that we are too few in numbers to amount to amount to much but just watch us try anyway. After removing, by request all names from our roll, of those not interested and who would not attend we have very few names left, but we are all workers, doing gladly anything required of us to make our part of this great work a success.

We are busy with our mission and hand-book study courses, being nearly ready for our examination in the latter. All our pledges have been paid and our plans are for a busy summer.

We have paid our registration fees for three delegates to Summer Assembly and we hope to keep up with the work in our own Union and District.

On the last Friday night in February we enjoyed our monthly social in the home of our president, Ollie M. Smitherman. The second Sunday night in March we helped the young people of Oneaville to organize a League, then several of our Leaguers attended the Brazos Valley District League Institute in Cameron.

For our April social activities we are to have a sunrise breakfast on Easter morning followed by a devotional exercise and short Easter program, after which our Leaguers will leave immediately for Cedar Springs to attend the Brazos Valley Union meeting where we hope to meet all other leaguers in the Union.

MRS. EBER FLINN HOSTESS TO YE MERRY WIVES CLUB

Mrs. Eber Flinn was hostess to members of Ye Merry Wives Bridge Club at her home last Friday afternoon when pink roses were noted about the rooms and formed a color scheme for the party. Mrs. Charlie Frank Green made high score and was awarded a decorated waste basket, and Mrs. Dan Collins, second high, received an ash tray. Table cuts bottles of Shari perfume were won by Miss Rosalie Baskin and Mesdames John C. Young and Vernon Roberts.

Following the games the hostess served ice cream and cake.

MRS. GEO. F. CHILDRESS, JR. HOSTESS TO BRIDGE CLUB

Various kinds of flowers in all the pastel shades and Easter novelties about the rooms were constant reminders of the season, when Mrs. G. F. Childress, Jr., entertained members of the Triple Four Bridge Club Tuesday afternoon. The motif was also carried out in the gift prizes which were dainty Easter baskets filled with confections and which were won by Mrs. Vernon Roberts for high score and Mrs. Julian Baskin for consolation.

Bamboo trays crated with baskets of rosebuds were used for dispensing a collation consisting of a salad course and strawberry parfait. Individual favors were miniature Easter baskets.

METHODIST CHURCH

The meeting at the church continues. Every night except Saturday and until Sunday, we have services at 8 p. m. We extend a cordial invitation to all to attend.

At 11 a. m., next Sunday we shall have an Easter message. We expect a great crowd and a blessed hour. At that hour we hope to receive those who may be candidates for church membership and baptize children. Let mothers who have a child for baptism bring it at that hour. Our choir will render Easter music and it will be worth hearing. We invite all who have no church home to be with us, both at the morning hour and at the 7:45 p. m. hour.

Lay Plans For The Vacation Bible School

Plans for the 1930 Community Vacation Bible School were discussed at the meeting of the Executive Board of the Federation of Missionary Societies held last Friday afternoon at the home of Mrs. J. C. Martin. Several changes are under advisement in regard to the school, one of which is that it is to be held at either the Presbyterian or the Methodist churches instead of at the Ada Henderson school as heretofore, and another is that the community school be conducted at the same time that the Baptist school is in progress.

The quarterly meeting of the Federation is to be held at the Episcopal church on Tuesday afternoon, April 29. The complete program for the meeting will appear in a later edition of The Herald.

Yoe High Students Win Second In District Latin Tournament

Yoe High school entrants in the district latin tournament held at Cleburne last week end won one second place and two third places of the meet. George Tiffany Moore won second place in the fourth year Latin essay writing contest; Miss Dorothy Kidd won third place in the second year essay writing contest; and Misses Frances Sharpe and Bonnelle Neinst won third place for Yoe High school in the fourth year latin test.

According to Miss Velda Walker, head of the high school Latin department, Waco high won all first places. Among the other schools competing were Cleburne, Brownwood, Bryan, Hillsboro, West, and many others. There were about 200 individual contestants. All visitors were entertained in Cleburne homes and a feature of the entertainment was a banquet given by the Latin students of the Cleburne high school in honor of their visitors.

Those from Cameron going for the tournament were Misses Frances Sharpe and Bonnelle Neinst, fourth year students; Dorothy Kidd and Frances Smith, second year students; and Viola Sustek and Lois Peck, first year students. Others in the party were Miss Velda Walker, Mrs. J. A. Sustek and Mrs. David Smith.

LATIN PUPILS CELEBRATE WITH ANNUAL PARTY HERE

Fourth year Latin students of Yoe High school held their annual party which was in the form of a dinner dance this year, Wednesday evening at the home of Miss Dorothy Lesovsky, beginning at 7:30 o'clock.

The dinner was served at small tables, the menu consisting of pineapple salad, a chicken salad main course and an ice course. Favors were corsages and buttonnieres of sweetheart roses. Misses Viola Sustek and Lois Peck who represented the first year Latin classes at the district tournament held at Cleburne last week end, assisted in serving.

Games of bridge and 42 and dancing to music by Joe Rowland's orchestra were enjoyed later in the evening.

Members of the class are Misses Imogene Sapp, Winifred Bickett, Julia Mae McCollum, Dorothy Lesovsky, Katherine White, Amboline Moe, Estelle Lamkin, Frances Sharpe, Bonnelle Neinst and Ada Margaret Smith; Messrs. Ben Atkinson, Jr., George T. Moore and Owen Moisset. Each of these was privileged to invite one guest for the affair Wednesday.

WIN IN LATIN MEET

In the district Latin Tournament at Cleburne, Frances Sharpe and Bonnelle Neinst placed third in the fourth year class; Dorothy Kidd placed third in the second year class and George Moore placed second in the fourth year Latin essay. Miss Velda Walker is Latin teacher in Yoe High school.

FLASHLIKE ETHYL GAS POPULAR PRODUCT HERE

R. J. LONG, LOCAL HUMBLE AGENT EXPLAINS REASONS FOR POPULARITY OF MOTOR FUEL

Since 1926 when the Humble Oil and Refining Company first began supplying Texas motorists with Humble Gasoline compounded with tetraethyl lead, the demand has grown so that now thousands of dealers and garages sell this product all over the state of Texas. The reason for this, R. J. Long, popular local Humble Agent, says is that every day more and more motorists demand a quieter more powerful motor and greater driving comfort. To get these advantages they are glad to pay the extra 3 cents per gallon charged for Flashlike Ethyl Gasoline and every day increasing numbers of filling stations are selling it. They find that it brings them satisfied customers.

An example of what experts think about Flashlike Ethyl Gasoline is seen in the fact that the Humble Oil and Refining Company has contracted with the government to supply ethylized airplane fuel for use in all army planes in Texas. It is also greatly in demand at private flying fields. Developed in the General Motors Research Laboratories, Ethyl compound is a product which knocks out the knock in the engine. In the course of research it was found that it is the fuel, and not the engine, that knocks. This Ethyl brand of anti-knock compound, which is added to Flashlike Gasoline to make Flashlike Ethyl, is a liquid consisting of tetraethyl lead, ethylene dibromide, halowax oil, and red aniline dye. The tetraethyl lead is the ingredient which knocks out the knock. It is made from alcohol and lead, and it is twice as heavy as gasoline. Ethylene dibromide is a compound which prevents the tetraethyl lead from forming lead oxide during the combustion. Halowax oil is an extremely efficient lubricant which keeps the exhaust valve stems from burning dry. This prevents sticking and burning of valves. The user of Flashlike Ethyl Gasoline can expect it to make his engine run more smoothly, deliver more power, particularly on hills and heavy roads, accelerate more quickly, need less gear shifting and stop knocking.

For purposes of identification only, Flashlike Ethyl Gasoline is colored red. Red aniline dye is used in minute quantities. Remember, however, that all red gasoline is not Flashlike Ethyl. In addition, remember, too, that Flashlike Ethyl Gasoline is a combination of tetraethyl lead, above described, and Flashlike Gasoline, which in itself is a superior motor fuel. The same 110 initial, 400 end point gasoline you see so regularly advertised.

Cameron Declaimers To Waco Saturday

Cameron declaimers who won first and second places at the County Meet at Rockdale recently will compete in the district meet at Waco Saturday. Miss Mary Jane Burnett from Yoe high school and Miss Patsy McGregor and Giles Avriett Jr., from the Ada Henderson school will enter the meet from Cameron. They will be accompanied to Waco by T. A. Fisher and Mrs. Eber Flinn, who has coached them on their declamations, Mr. and Mrs. Giles Avriett, Sr., and Misses Jollye Blanche Pitts and Blanche Hensley.

Trustees Are Named For Milam County

Cannass of returns today showed in the election for county school trustees in Milam county W. A. Morrison was elected trustee at large; T. A. Fisher, trustee Commissioner's Precinct 2; Willis Vogelsang, Precinct 1 and J. O. Newton, Precinct 3. The only precinct where there was a contest was in Commissioner's Precinct 3 the candidates, both drafted, J. O. Newton and Mrs. S. S. Sheppard Newton receiving the majority.

**It's the AIR in a

*The air-cushion in the new-type
Federal Tire is 12 per cent larger!*

Yours,

Bill Talasek

just read this astonishing 'Money-Back' Guaranty.

"Money Back" Guaranty

'If after 30 days' use you are not fully convinced that these new-type Federal Tires give you more luxurious, air-cushioned riding comfort, better acceleration, easier steering, firmer braking, and the assurance of maximum mileage, return them and your money will be refunded.'

Mere bulk never made any tire ride more comfortably. Federal engineers proved that when they designed the new Federal with the 12 per cent greater air cushion.

The new Federal De Luxe also gives you mileage that is mileage—50,000 miles and more. That means excess mileage—a new factor of safety that makes every mile a carefree mile.

Also you get a new Rim-Wide, full contact Tread that's silent and non-skid.

You get longer, more flexible yet stronger side walls. New smartness in appearance. Better braking. Faster acceleration. Lower gas consumption and easier steering.

Sounds impossible, doesn't it? But

FEDERAL

YOEMEN DEFEAT THORNDALE BULLDOGS THURSDAY

Thursday afternoon on the Lawless Green field the Yoemen defeated the Thorndale Bulldogs by a score of 9 to 5. Mike Schigut pitched wonderful baseball and but for the very erratic support, might have had a shut out. He did not allow a hit until the sixth inning. In the eighth inning he was touched for one more and in the ninth when he became somewhat careless he was hit for two more singles. He had good control walking only two men and striking out six. Neither team did much hitting and but for his wildness the Thorndale pitcher would not have allowed many runs. In the first part of the game the Yoemen preferred to wait out walks then attempt to hit the ball.

Tuesday afternoon the Yoemen went to Thorndale to lose by a score of 27 to 25. It was a very erratic game. The Thorndale team had a lead of 21 to 7 at one time but in the late innings the Yoemen tightened up in the field and put on some rally which almost tied the score. The game was in doubt until the last man was put out in the ninth to choke a Yoe rally. It was a game full of errors, walks, base hits and not much good baseball. Penny, Thorndale player got three home runs while Stach and Sims each hit one for the Yoemen.

CHRISTIAN CHURCH AID HERE ENJOYS SOCIAL AT CHURCH

Following a short business meeting conducted by the president, Mrs. Raymond Beard, members of the Ladies Aid of the Christian church enjoyed a social hour at their regular meeting Monday afternoon at which time Rev. Arthur Hyde and Mrs. Hyde were showered with gifts. Rev. Hyde, who is a former pastor of the Cameron Christian church is conducting the revival services being held there this week. He was married shortly after the end of his pastorate here and members of the congregation are enjoying meeting his wife for the first time.

Mrs. Martin Kilian, at whose home the meeting was held, very cleverly arranged the presentation of the gifts. Alarm clocks, set to sound at different times, were placed about the house, and every time an alarm sounded Mrs. Hyde searched for the clock. When she found it, she also found a group of gifts.

Mrs. Kilian served ice cream with strawberries and cake. Guests outside the membership of the Christian church were Mrs. Jessie Coward, Mrs. Jefferies of Austin and Mrs. Charles Brady.

J. B. MOCK

J. B. Mock, 72 years of age, died at his home at Walker's Creek Thursday April 10, at 3:35 o'clock in the afternoon, a victim of pneumonia. Mr. Mock contracted a slight cold which developed into the fatal disease, this being his third attack during his life time.

Funeral services were held Friday afternoon at 3:30 o'clock at the Walker's Creek Baptist church, with Rev. J. Kelly Simmons, pastor of the church, reading the last rites. Rev. Simmons was assisted by Rev. E. S. Hutcherson, pastor of the First Baptist church, Cameron, and by Rev. C.

L. Spradley, retired Baptist minister of the Little River community, who baptised Mr. Mock 39 years ago.

Mr. Mock was born at Bainbridge, Ga., and came to Texas when he was yet a young man. At the age of 32 he was married to Miss Sophronia Hillard of Caldwell and to this union were born eight children, seven of whom are living. Mr. Mock's eldest brother died suddenly at Panama, Florida on February 9 of this year. Since he united with the church Mr. Mock had been a faithful member and he was one of the leading lay members of the Walker's Creek congregation.

Surviving Mr. Mock are his wife and seven children: Erie Mock of Oklahoma. Elbert Mock of Rosebud; Mrs. M. C. Aldrich of Temple; Mrs. Joe Rowland of Cameron; Mrs. L. A. Johns, Miss Ethel Lee Mock and J. B. Mock, all of Walker's Creek.

Interment was in the Walker's Creek cemetery with Coleman and Eplen in charge of arrangements. Pall bearers were Charlie Hightower, Leo Hawkins, R. H. Birklebach, Roy Hightower, H. B. Hairston and Dewey Hightower.

MISSIONARY SOCIETY

Reports from the Cameron delegates to the recent state conference of Methodist Missionary Societies held at Port Arthur were heard at the regular meeting at the church Monday afternoon. Mrs. H. N. Tate represented the Cameron Society and Mrs. W. O. Triggs also attended the meeting as secretary from this district. Her secretary book received the distinction of being placed on the honor roll. These secretary books are not audited but they are examined carefully and graded.

The president of the local society, Mrs. Lena Baskin, led a devotional preceding the hearing of the reports.

BAPTIST W. M. S.

Members of the W. M. S. of the Baptist church met in circles Monday afternoon for Bible study. Lillie Mae Hundley Circle met with Mrs. M. C. Sapp with 11 members present. Mrs. W. H. Henley led the lesson. Lottie Moon Circle met with Mrs. Tracy Hobson with 8 members present and one visitor and Mrs. John Denson was

leader. Eunice Taylor Glass Circle met with Mrs. M. G. Cox with 15 members present and Mrs. John A. Smith leading the lesson.

The ladies are sending an egg show-er this month to Bunckner Orphanage at Dallas and the members brought their donations Monday afternoon. Each member was also asked to bring a dime to be used towards purchasing Easter remembrances for a student at Baylor University whom the W. M. S. is helping thru school.

Next Monday afternoon the circles will meet as follows: Lillie Mae Hundley with Mrs. Preston Graves at three o'clock; Lottie Moon with Mrs. John Hause at 3:30 o'clock; and Eunice Taylor Glass with Mrs. John Dobbins at 3:30 o'clock.

Cottage prayer services are being held by the circles each afternoon this week for supplication for a successful revival meeting at the Baptist church, the services being held there each evening.

W. H. Parker of Lockhart, formerly a citizen of Cameron, was in the city last week end greeting old friends.

Texas And Texans

By Will H. Mayes

'Local-Mindedness'

Coining a term to fit, some Texas towns are almost wholly 'local-minded,' which means about the same thing as narrow or self-centered when applied to individuals. These have acquired such a localized vision that they do not see beyond their own horizons. A person may become so accustomed to his run down cabin that all desire for a better home is lost.

A people can grow so used to their local surroundings that they lose all desire for anything better.

Texans need a greater sense of 'state-mindedness' of a kind that has made California and Florida far-famed. As leaders of public thought, local newspapers can arouse and maintain this spirit. Towns and communities seldom think or act ahead of the local press. A united effort of the Texas press, a State-wide synchronization, is necessary for the greatest progress of the state. This 'Texas and Texans' feature is a part of this paper's contribution to that effort.

The Centennial Movement

Six years is a short time in which to accomplish a really great work. The year 1936 will mark a century in the independence of Texas, a 100 years of the most notable progress ever made by a people. As yet little or nothing has been done looking to a proper celebration or to awaken the public mind to its importance. To

delay action much longer would be unpardonable on the part of those to whom this important matter is entrusted. Legislators must be elected who will give their unqualified support to the movement. The people of the state must be aroused by intensive publicity in which the whole press must heartily unite; outside interests must be enlisted; vast projects, educational and entertaining, must be worked out; suitable buildings must be erected and grounds made beautiful; exhibits commensurate with the state's growth, its present wealth and its future prospects, must be assembled and arranged. There is a great work ahead and all too little time in which to do it right.

Flower-Liner Roads

Northern tourists visiting Texas at this time of the year find the flower-lined railroads and highways a source of constant delight and surprise. The impressions made by these flowers upon those coming directly from the cold north can hardly be imagined by those of us who have lived so long among Texas flowers. But even the Texas tourist is often thrilled by the beauty of the flowered lanes of the state. Just now there are hundreds of miles of highways bordered with pinks, bluebonnets, verbenas, phlox, and many other native flowers, and in many places roadside fields and pastures are carpeted with solid beds of flowers of all shades. Civic clubs can do no better work, at so little cost than seeing that every country roadway is kept lined with the wild flowers of Texas.

Prosperity In Evidence

The Colorado-Llano river sections around Bertram, Burnet, Marble Falls and Llano, are already showing evidence of the prosperity that will increase rapidly with the beginning of actual work in the dams, six of which are to be built. The company that will build the dams is busily buying flowage rights and drilling tests for the dams. Lands that will be overflowed, on which options are held are being bought outright and the owners are buying other nearby lands. Machinery is being placed for a \$250,000 gauze factory in the old mill building at Marble Falls. Plans are under way for increasing the granite output in Burnet and Llano counties. The great lake, to extend 35 miles along the river will be the largest artificial lake in the country. Health resorts and lakeside homes will be built along its banks among the hundreds of beautiful hills that give a pleasing variety of scenery. Texas is indeed a wonderful state to those who know their Texas.

Presidio to Mexico

Work on the Santa Fe expansion to Presidio will probably be completed by October 1, thus opening another gateway to Mexico and giving an outlet to the north for the rich products of that section. The country about Presidio is especially rich in minerals and has immense stores of marble and granite—enough to supply the entire country for centuries. Presidio seems destined to become an important port of entry and a city of size and wealth. Tourists find the beauty of the scenery of the entire 'Big Bend' section unsurpassed by any other mountainous country.

Big Texas Cavern

A large cavern, recently discovered in San Saba county, near Richland Springs, is being explored. Its proportions have not yet been determined but it is known to contain several large rooms with many stalactite and stalagmite formations of great beauty, with figures in them as unusual and grotesque as any found in Carlsbad Cavern. The explorers hope to be able soon to determine the size of this cavern and that it may be of a kind to attract many visitors.

Showing the Way

E. C. Caldwell, an Odem farmer, who has been planting vegetables on a large scale since 1925, has recently gathered 800 acres of radishes and 600 acres of beets on a 1400 acre farm and the same land is now planted to cotton and other crops. He was comparatively poor a few years ago but by applying intelligent methods to diversified vegetable growing and farming is now worth a quarter of a million dollars. Other growers may not be able to plant and market on so large a scale but by combining their acreage and cooperating in marketing it is possible for others to do proportionately as well as Mr. Caldwell has done.

Non-Cotton Farming

Dr. A. W. Odell has an 1800 acre farm near Goliad on which he is growing pretty much everything except cotton, using modern electric motor power and gasoline operated tractors having only one team of mules and one horse on the place. He has beef and milk cattle, turkeys, chickens and hogs on the place, and grows feed-

stuffs of all kinds for these and is cultivating all the vegetables adaptable to that climate. He doesn't expect to sell anything of the place except livestock, dairy products and vegetables, and is demonstrating that electric and gasoline equipped machinery can be most successfully and economically used in Texas farming. The experiment is being watched with much interest, for if it proves profitable on an 1800 acre farm it should pay equally well on a 100 acre place.

Planting Orchards

Fifty farm orchards have been planted this year in Young county under the direction of the county home demonstration agent. An agent who can secure such results is worth her salary to any county.

'Let George Do It'

The Mason News reports that a Mason business man who buys his stationery from out of town and uses envelopes from the Government Printing Office had the temerity to urge the News to get behind a local project 'and boost it or else it will die out.' How long would it take enough men of that kind to kill Mason or any other town?

Co-operation With a Vim?

An El Campo business concern advertised that there are three bakeries one creamery and one feed milling company in El Campo, yet some 'co-operative merchants' are buying these products out of Houston. Some people are just 'queer,' aren't they?

Going After Results

Wilson county has a county farm agent who has been sponsoring the planting of black-eyed peas in the country, the result being that contracts have been made for the planting of 4600 acres, distributed in the various sections of the county. There would be more, but the supply of seed peas gave out and the price of seed bought now would be prohibitive.

THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County—Greeting:
You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

NOTICE

The State of Texas,
To all persons interested in the Estate of W. T. Mowdy, deceased. Notice is hereby given that W. P. Mangum, administrator of said estate, has filed in the County Court of Milam County, his final account of the condition of the estate of said W. T. Mowdy, deceased, which will be heard by the County Court of Milam County, Texas, at the next regular term thereof, to be begun and holden at the court house in Cameron, on the first Monday in June, 1930, same being the 2nd day of June, 1930.

Now, therefore, this is to require all persons interested in the Estate of W. T. Mowdy, deceased, to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the city of Cameron, Texas, the 14th day of April A. D., 1930.

PASTORS GIVE REASON FOR BIBLE SCHOOL

ATTENDING SUNDAY SCHOOL IS
DUTY AND IMPORTANCE IS
STRESSED IN STATEMENT

Many of the members of the Cameron churches do not attend Bible school. Just why they do not avail themselves of this unusual privilege is a question that we cannot answer. To speak of Bible school attendance as a privilege, we feel is to speak correctly, for in this the most important agency of the church, we are best enabled to keep our minds open for spiritual development. Learning new truths about Christ and His greatness should be, and is the true object of every Christian. And where can we better learn this than in the class rooms of our Bible schools where we come and meet the self sacrificing, efficient instructors who so freely give their time that we might have the very best.

The attendance at Bible school is more than a privilege to the church member, it is a sacred responsibility that we owe to God and our fellowmen. We owe it to God because it is His agency for the renewing of our minds and rebuilding of our spiritual natures. The responsibility to our fellowmen is manifest by the example we set before Him, 'For know ye not that you are your brothers keeper,' and that he expects you as a member of the church to set a good example.

There are fifteen hundred active church members in Cameron and about six hundred inactive members but only about one thousand that attend Bible school last Sunday and many of these are children who are not members of the church.

Men and brethren of the churches of Cameron, what will you do with your privilege and responsibility? Will you assume it and enjoy it or will you shirk it and regret it when you see the fruits of your negligence producing crime in the next generation? Surely with the good women and children leading, we men will step into the ranks as becometh the men that we are and see that there are eighteen hundred in Bible school in Cameron next Sunday morning.

Easter is a glorious season. Let's make it most glorious by being present at the Lord's House in time for Bible school and remaining for church.

Yours for victory in Christ,

Sunday To Culminate Attendance Campaign For Sunday Schools

With next Sunday, April 20, culminating the Sunday school campaign, in which a goal of an attendance of 1800 in the churches of the city was set for Easter Sunday, teachers and officers of the various Sunday schools held a rally meeting at the Methodist church last Sunday afternoon. Mr. Graham Gillis, superintendent of the Presbyterian Sunday school presided over the meeting.

Suggestions were made for encouraging people of the city to attend Sunday school next Sunday and instructions were given the various teachers and officers. Messrs. Roy Baskin and Charles McGeehe, superintendents of the Methodist and Baptist Sunday schools respectively, made short talks as did also several others present. Musical selections on the program consisted of a vocal solo by Mrs. A. J. Triggs and a mixed quartette by Mrs. Wilson Gunn, Miss Bess DuBois, L. C. Gayle and John Hays. Religious services in the city Sunday are to begin with a sunrise prayer service at the City Park, the time being 5:18 Central Standard Time. A special program has been arranged for the meeting.

Humble Lets Contract For New Station Here

Contract has been awarded to J. G. Chandler of Cameron, contractor for the construction of a new service station for the Humble Oil and Refining Company. This station is to be located on the Buckholts road next to the Southern Pacific line where the store of the late Ed Harris was located.

Materials for this station is to be furnished by the Grant Lumber Company of Cameron. It was announced by F. R. Dunlap, manager of the yard here that the company contemplates spending approximately \$10,000 on the new station and when completed it will be one of the best in the entire city.

PENN WOLF CANDIDATE FOR DISTRICT CLERK

POPULAR DISTRICT CLERK ASKS
RE-ELECTION AT JULY
PRIMARY

Penn Wolf, popular district clerk for Milam county, is a candidate for re-election to that office subject to action of the July 26th Democratic primary election.

The announcement of Mr. Wolf as a candidate to succeed himself in this office will be received with interest by his many friends in Milam county. Mr. Wolf has served the people well in this capacity and in asking for re-election submits his record as a public official. He needs no introduction to the people of this county. His fine personality and outstanding ability to transact the duties of this office are the commendable qualities that have made him one of the most popular officials ever to serve the people of Milam county.

Mr. Wolf has served the people in this office a number of years and the work he has done has added much to the efficiency of the court and the business of the people in this office. He promises to continue the good service he has rendered and he asks his many friends over the county to give him their support and influence at the Democratic election.

This is one of the most important offices in the county and Mr. Wolf looks with pride to the record of service he has made for the people and they will be interested in his announcement and will give him their support for re-election to this important office.

L. B. FIKES CANDIDATE FOR COUNTY TREASURER

EFFICIENT TREASURER OF MILAM COUNTY ASKS ANOTHER
TERM IN OFFICE

L. B. Fikes, county treasurer for Milam county, is a candidate for another term in this office, subject to action of the Democratic primary election to be held on July 26. The announcement that Mr. Fikes will again be a candidate for this office will be received with interest by his friends and the people at large over the county.

Mr. Fikes submits his record in office and asks the vote and support of the people based on his record of service during the period he has held this place of responsibility in the county government.

As county treasurer Mr. Fikes has the responsible duty of handling the county funds and upon the proper supervision of these funds together with the efficiency in the records he keeps depends the measure of satisfactory service he can render the people. Mr. Fikes and his many friends take pride in the record of efficient service he has made in this office. His announcement will be received with approval by the people and they will be glad to know that he is again to offer for this place of service.

Mr. Fikes was born and reared in this county and is well known to the people. He has rendered an indispensable and appreciated service as county treasurer and in offering for re-election gladly submits his record of service and pledges his continued good efforts at rendering efficient service in the future.

The records of his office are kept correctly and all funds passing through his hands have been properly accounted for and his deserving claim for another term in this office will be received with approval by the people. Mr. Fikes is indebted to the people and to his friends everywhere for their support of him and he asks their support again with the assurance that it will be greatly appreciated. He plans to see and talk with the voters as much as possible and solicits your support.

DANCE AT SKEEZIX

Manager Elwood Cammer announces a dance for Skeezix on Saturday night April 26 with music by the Happy Seven. This popular musical organization has a large number of friends in this community and the announcement of their return for the dance on April 26 will be received with acclaim.

New City Marshal Is Given Oath Of Office

Gene Smith, city marshal, received the oath of office at the regular meeting of the council on Monday night and has taken charge of the office to succeed B. Slocumb.

Mr. Smith retained all the duties in office: Will Cook as night watchman and fire marshal; Dan Lunsford and Joe Richter as deputies. Mr. Smith was nominated in the city primary in February receiving a majority of votes cast and has assumed the duties of the office.

Mr. Smith by experience and equipment will be able to serve the people well in this office and he has pledged his best efforts to the enforcement of the law and the administration of the duties of this office.

All other officials elected were given the oath of office also and all have begun their new terms.

L. BLAYLOCK CANDIDATE FOR SHERIFF OF MILAM

DISTINGUISHED OFFICER SUBMITS
CANDIDACY FOR RE-
ELECTION AT JULY PRIMARY

L. L. Blaylock, sheriff of Milam county, is a candidate for the nomination to that office subject to action of the July 26th Democratic primary election and in offering for another term in this office submits to the people a record of service that cannot be excelled by any other sheriff in Texas.

The announcement that Mr. Blaylock is to be a candidate for another term in this office will be received with interest by his friends and the people generally of this county whom he has served faithfully and well.

Frequent comment is made throughout Texas on the record of law enforcement in Milam county and many times state officials have pointed with interest to the record made by the sheriff of Milam county. Mr. Blaylock naturally takes pride in the record he has made and he pledges his continued good efforts in the discharge of the duties of this office.

Judged by his record and his experience and attainments as a peace officer, the record of Mr. Blaylock will become in time one of the traditions of Southwestern police history. By his friendly methods but stern fidelity to duty Mr. Blaylock has endeared himself to the people of this county over the period he has served in this office. He has been successful in every way in the enforcement of the laws and the records of the court here will give evidence of that fact. Mr. Blaylock by training and experience and natural ability has made an outstanding peace officer and has been faithful in the discharge of his duties, always surrounding himself in office with deputies who are capable and honorable in their transactions at all times.

Notably among the services rendered by Mr. Blaylock has been the apprehension of thieves and the recovery of stolen property. In this way he has saved the victims of robbery many hundreds of dollars and at expense to himself in many instances, placing duty above all financial considerations.

The fact that the record of law enforcement in Milam county is one of the best in Texas shows the record he has made.

Mr. Blaylock is too well known to the people of this county to offer introduction. He submits his candidacy based on the record he has made and his ability to serve in this capacity and his announcement will be received with approval by the people. He asks your vote and support at the July primary.

Mammoth Fossils Are Found In Curry Pit

Gravel haulers for the city of Cameron Tuesday unearthed a seven foot long and some leg bones of a mammoth in the Curry gravel pit north of Cameron. In response to the find Dr. Sellards of the University of Texas was in Cameron Wednesday.

The fossils were purchased by D. H. Slaughter and will be delivered to Dr. M. Francis at A. & M. College. A large number of fossils have been taken to A. & M. from this county and the Curry pit has produced a large number of them.

ROY LAW CANDIDATE FOR TAX COLLECTOR

POPULAR OFFICIAL SUBMITS
RECORD IN OFFICE AND ASKS
FOR ANOTHER TERM

Roy Law, tax collector for Milam county, is a candidate for re-election to that office subject to action of the Democratic primary to be held on July 26.

In submitting his candidacy for re-election Mr. Law offers to the people of Milam county an excellent record as tax collector and the people will receive with interest the announcement and will approve the record he has made since he was elected to this responsible place in the county government.

Mr. Law as tax collector for the county has been active in the service of the people, has taken an interest in tax matters and has acquired a wide knowledge concerning his duties. In this way and in others he has brought to this office an unusual enthusiasm for good service and his record will compare with that of any similar official in the state who has rendered distinguished service with a close application to the duties incumbent on him.

Mr. Law submits his record and asks for the support of the people on the service he has rendered, pledging himself in the future to render the same service as he has given in the past. In many ways Mr. Law has distinguished himself for unselfish service. Notably in the collection of delinquent taxes, it should be remembered that Mr. Law performed these duties without cost to the people other than his regular fees of office and in this way saved the people a considerable sum of money.

Of special interest in connection with the service rendered by Mr. Law is the following comment taken from the annual audit of the affairs of this office by the Rankin Audit Company, certified public accountants of Houston:

'Exhibits A and B are summaries of Mr. Law's accounts covering taxes collected for the years ending March 31, 1928 and March 31, 1929, which reflect that all collections made by him for the county and its various sub-divisions during the period have been properly accounted for.'

'Exhibits C and D are statements of fees of office received by Mr. Law for the years 1927 and 1928, which reflect that for the year 1927 there accrued to the county \$970.28 in excess fees which was paid to the county treasurer on deposit warrant No. 2045. For the year 1928, after paying his deputies and expenses, Mr. Law lacked \$569.06 of making his salary, \$2750 from accountable fees.'

'We report that for the period under review, Mr. Law has collected \$735,329.55 for the county and its sub-divisions which has been reported and paid over to the proper authorities without a cents discrepancy. This is so remarkable that we could not refrain from commenting on it. Such a perfect record can be realized in only one way, and that is by maintaining a modern system of accounting which permits of an internal check of all receipts and disbursements.'

Mr. Law submits this record and asks the vote and support of the people for re-election.

Star Hotel To Open Within A Short Time

The Lone Star Hotel, damaged by fire in 1929, and recently purchased by E. L. Brod, has been leased to J. D. Fikes and will be re-opened within the next ten days according to Mr. Fikes.

Mr. Brod has had a force of workmen on the structure for the past several weeks and the hotel is being made modern in every way. The rooms are being re-furnished and each room is to have hot and cold running water, electric fans and gas heat. In addition ventilation is being cared for and every effort is being made to make the hotel modern in every way. The completion of this hotel will give Cameron added facilities and the people here congratulate Mr. Brod on his progressive spirit.

Mrs. J. W. Coleman and daughter, Miss Sallie Coleman, Mrs. Conn Miller, Mrs. J. H. DuBois and Miss Bess DuBois formed a party spending last Saturday in Waco.

Club Postpones Naming Of Secretary Here

The Commercial Club at its regular meeting on Monday night voted to postpone election of a secretary until the next meeting which will be held on Monday night, April 21. William Cobb, secretary is not an applicant for the place, but his friends are insisting that he accept the place for another term.

President Lesovsky appointed a committee at the meeting but the committee could not agree on a selection and the matter has been held in abeyance until the next meeting.

Considerable interest is being shown in the census enumeration and the people are urged to co-operate with the enumerators that Cameron may receive the advantages of a full count.

Similar action is taken by the county and this week efforts are being made to stimulate interest in the towns and rural sections.

HOMER NABOURS IS CANDIDATE FOR CLERK

EFFICIENT CLERK OF COUNTY
ASKS SECOND TERM
IN OFFICE

Homer Nabours, county clerk, is a candidate for a second term in that office, subject to action of the Democratic primary election on July 26 and in asking for a second term in this office submits his record of service to the people.

His announcement for re-election to a second term in this office will be received with interest by his many friends and the people at large whom he has served with unusual efficiency and courtesy.

When Mr. Nabours was elected to this office he promised the people he would give his close attention to the duties of the office and he has fulfilled that promise in every way. His record has impressed the people who have had dealings with that branch of the county government and at the polls in July they will give him their support. Mr. Nabours is a popular official and knows personally practically every person in this county. His wide acquaintance has given him an unusual touch with the people and it has enabled him to render a distinguished service to them.

The records of this office under his first two years of administration will show that he has brought to the affairs of this office an unusual ability, maintaining at all times high standards of efficiency and the best of assistants to carry on the work of the people as county clerk.

Mr. Nabours submits his candidacy based upon the record he has made in this office and asks your vote and support at the coming primary election. He was born and reared in this county and he needs no introduction to the people. If given a second term in this office Mr. Nabours will continue his best efforts to render a faithful and efficient service and he feels that his experience for the past term will enable him to be more efficient in the future and in asking for another term he pledges his continued interest in the details of this work which he has been able to discharge by reason of his unusual abilities.

Mr. Nabours plans to see as many voters as possible during the campaign period and will discuss with them his candidacy for this office. The vote and support of his friends and the people will be greatly appreciated.

Attends Frigidaire Meeting In Houston

H. C. Keith has just returned from Houston where he attended a meeting of Frigidaire salesmen for this district. This week he has on display a Frigidaire under heat showing the remarkable operation of this freezing plant.

This display will attract considerable attention and is the first of its kind seen here. Mr. Keith looks for a big year in Frigidaire sales.

DANCE AT NEW NATIONAL

A dance at New Bohemian National Hall has been announced for Thursday April 24. The music for this dance is to be made by Jamie Clark. These dances are popular with the people and those in charge are expecting a large crowd for the entertainment.

H. A. FUCHS CANDIDATE FOR CO. COMMISSIONER

COMMISSIONER PRECINCT NO. 1
SUBMITS CANDIDACY TO
PEOPLE

H. A. Fuchs, county commissioner for Precinct 1 of Milam county is a candidate for re-election to that office subject to action of the Democratic primary election to be held on July 26.

Mr. Fuchs has served the people of his precinct well and his announcement will be welcomed by the people who appreciate the unselfish and efficient service he has rendered. As a member of the Commissioner's Court Mr. Fuchs has rendered a distinct service to the people of the county as well as the people of his precinct. He is a practical business man and understands the problems of the county and the construction of roads and the work he has done since he has held this office has been satisfactory in every way.

Mr. Fuchs is very busy at this time in road work. The bad weather conditions during January and February placed a burden on him as well as other precinct commissioners and he does not feel that he can neglect his duties at this time to canvass the voters. However in a short time Mr. Fuchs will meet the voters and discuss with them his candidacy for re-election.

The work of Mr. Fuchs as commissioner has been an inspiration to the members of the court and his ability and foresight has resulted in a commendable management of the affairs of the county. His many friends over the district will be glad to give him their vote and support in the coming primary election.

Banks To Close Here Monday, April 21st

Cameron banks will close on Monday, April 21 in observance of Texas Independence Day. An announcement appears elsewhere in this edition of The Herald calling attention of the public to the date for closing.

The banks request that customers make their arrangements to conform to the closing date. The banks will

NEW GULF STATION TO OPEN SATURDAY

MAIN AND CROCKETT SERVICE
PLANT TO GREET CUSTOMERS APRIL 19TH

The new Gulf service station completed at the corner of Crockett and Main streets near the Baptist church will be opened on Saturday, April 1 according to W. R. Hoover, local agent for the Gulf Refining Company.

In this issue will be found an announcement telling of the opening of the new station on next Saturday. The station was constructed on the site formerly occupied by the Posey home for which the oil company paid \$10,000. The station is one of the most attractive service plants for the Gulf Company in this section of Texas and is a civic improvement for Cameron. Mr. Hoover is being congratulated on securing this station for Cameron and he hopes to see a large number of customers on the opening date next Saturday.

The products to be sold are that Good Gulf Gasoline, No-Nox motor fuel and Gulf Supreme motor oils.

CORRECTION

The management of the Herald wishes to correct an error made last week in the publication of a story concerning the city election in which it was said that Logan Green, alderman, had resigned his place and is moving to Alabama. This was reported to The Herald but we are glad to state this is an error. Mr. Green has not resigned his position as a member of the Council and he is to reside in Cameron. Mr. Green will not move to Alabama or any other city. "I find no place that looks as good to me as Cameron," said Mr. Green, and his many friends will be pleased to know he is to remain in this city. He has leased the Green Produce business to A. W. Esaliny, and has temporarily retired from business here.

Court House News

E. D. Atkinson of Maysfield was on our streets last Friday.

George S. Graves of Rockdale was attending to business in Cameron this week.

Mrs. Dr. Vol Reed of Holland, is in Cameron this week visiting relatives and friends.

Miss Gussie Caldwell left last Sunday afternoon for Caldwell to be absent several days visiting friends in that city.

Hon. T. S. Henderson returned from Austin Wednesday morning of this week having gone there to attend the funeral of Judge Collard.

W. H. Triggs of this city, has associated himself with Messrs. L. B.

Wright and W. M. Ainesworth in the hardware business at Rosebud. The new company will be incorporated with a capital of \$20,000.

Judge E. L. Anthony, pastor of the Baptist church at Henrietta, spent several hours last Thursday in our city greeting his old friends. He had been to Austin and came to our city enroute home, and his Cameron friends were very glad to see him.

On Wednesday evening of last week while Messdames Anna and May Crawford were driving to the Sap depot to meet the north bound passenger, their horse became unmanageable, running their vehicle up against a telephone pole. Both the ladies were thrown out, receiving scratches but not seriously hurt.

The strawberry and ice cream supper given last Thursday evening at the Stafford building to raise funds to defray the expenses of the Cameron fire department while attending the competitive races at Waco next month was a most gratifying success. Mr. John T. Arnold undertook the work of soliciting donations to provide for the supper and after having made about a half canvas of the city he left the task in the hands of a committee of ladies who completed the work of soliciting.

The supper was one of the most enjoyable and the attendance was large. The tables were tidily decorated and a bevy of young ladies attended to the wants of guests. The string band furnished delightful music and in addition to this T. L. Rose was present with graphophone to amuse those in waiting.

A feature of the entertainment was the election of a sponsor for the department for the ensuing year. Ballots sold for 10 cents each and the contest was quite spirited. When the votes were counted it was announced that Miss Minnie Camenish had won, receiving 304 votes, against 290 votes for Miss Margye Robinson, the next on the list. The following young ladies received a large number of votes each: Misses Lula May Hefley, Mary Rogers, Ethel Lankford, Carrie Williams, Lucy May Johnson, Lizzie McCord, Mo Kemp, Sallie Garrison, Maggie McFall and Fannie L. Hicklin.

The total receipts amounted to about \$100.00, a net sum of some \$70 being realized. Our fire department is one of the best in the state in point of zeal and efficiency and the boys heartily appreciate this recognition of the value of their services, and to this we add that it is no more than they deserve.

Master H. F. Smith entertained a large number of his friends last Friday evening, music and games serving to delightfully entertain the guests. Refreshments were bountifully served. Master H. F. was assisted by his sister, Miss Lilla, under whose charming supervision the guests were made to feel happy and merry. All joined in returning thanks for the lovely evening's diversion.

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's prices include only reasonable charges for delivery and financing. Easy G. M. A. C. Terms.

There is one sure way to get greater value in a low-priced car today—choose a Six!

This greater value is instantly obvious when you drive a Chevrolet Six. You notice first of all its greater smoothness. There is no tremor in the steering wheel—no rattle in the floor boards—no drumming in the body.

In addition to the finer performance of its six-cylinder motor, the new Chevrolet gives you truly remarkable economy.

Its six-cylinder smoothness saves the entire car from the strain and wear of vibration. This, of course, lowers the cost of maintenance and assures a longer-lasting automobile.

From the standpoint of operating expense, Chevrolet is equally economical. No automobile uses less gasoline and oil. No car shows a lower expense for tires. And no car costs less for service.

Because of its modern engineering, Chevrolet also assures a

high re-sale value—for its entire design is just as advanced as its six-cylinder engine.

Chevrolet gives you fully-enclosed, weather-proof, 4-wheel brakes. It gives you a modern fuel system—with the gasoline tank mounted in the rear outside the body. It gives you four long semi-elliptic springs, mounted lengthwise in the direction of car travel. It gives you beautiful Fisher bodies built of combination hardwood-and-steel. It gives you a full ball bearing steering mechanism, an adjustable driver's seat, a Fisher VV non-glare windshield, and tilting beam headlights, operated by a foot-controlled button.

Before you decide on any car in the low-price field, see and drive the Chevrolet Six. The more thoroughly you investigate, the more certain you are to conclude that it's wise to choose a Six—for value, for performance and for economical transportation!

PAINS QUIT COMING

Kentucky Lady Took Cardui and Tells How She Was Greatly Benefited.

Hopkinsville, Ky.—"I used to have headache and dizziness, and at times would have severe cramping spells," says Mrs. Mackey Scott, of 102 South Kentucky Ave., this city.

"This unfitted me for my work or any pleasures that I wanted to enter into. I am naturally a very active woman and I did not feel like I wanted to give two or three days at a time to aches and pains. So I looked around for a remedy.

"I had heard a great deal about Cardui and seeing it advertised I decided to take it. I took four bottles and it did me a world of good. It seemed to regulate and strengthen me. I quit having headaches and felt fine.

"I have never ceased praising Cardui to my friends and neighbors for what it did for me."

For more than fifty years, women who had suffered, or who had gotten into a run-down, weak condition, have been enthusiastic in praising Cardui for the benefits obtained from its use.

Cardui is extracted from herbs having high medicinal value, and contains nothing harmful or injurious. Get a bottle of Cardui from your druggist, today, and try it in your case.

FATHER OF GEORGE M. CAY DIES IN SCOTLAND MONDAY

On Monday of last week our fellow townsman, Mr. George M. Cay, who is connected with the Schuhmacher Company, received a cablegram announcing the death of his father, George Cay, Sr., in Aberdeen, Scotland.

The Cay family have lived in Aberdeen for generations and are recognized factors in the civic and religious life of that city.

Mr. Cay Senior was 79 years of age at his death. He left surviving him his wife and ten children, six sons and four daughters. He was a life long member of the Crown Street Presbyterian church of Aberdeen and had been an elder in that church for many years prior to his death.

A memorial service was held on Wednesday night, April 9 in the First Presbyterian church here, of which church our Mr. George M. Cay is a member. Comforting passages of scripture dear to this father in Israel were read and his favorite hymns: 'Abide with Me,' 'One Sweet Solemn Thought,' and 'God be with You till we meet Again' were sung.

Mr. and Mrs. George M. Cay have made a warm place for themselves in the hearts of our people during their residence here and they have the sympathy of all of us in this time of sorrow.

MISS ARNA MAY MEARS BECOMES BRIDE OF MR. JAMES TAYLOR MOSS, JR. AT GATESVILLE TUESDAY MORNING, APRIL 15

Of interest to the many friends of Misses Gladys Davis and Imogene Sapp will be the announcement of the marriage of their sister, Miss Arna May Mears of Gatesville, to Mr. James Taylor Moss, Jr., of Port Arthur on Tuesday morning, April 15, at ten o'clock, at the home of the bride's parents, Mr. and Mrs. Tom Mears, at Gatesville. The romance began when the contracting parties were students at Baylor University some two years ago.

The beautiful ring ceremony was read by Rev. Ward, pastor of the Methodist church at Gatesville, before an improvised altar of larkspur and ferns, arch-shaped, with a wedding bell suspended at the central point. The living room of the Mears home was decorated with pink and lavender larkspur and corn flowers and these were interspersed with Easter lilies and fern forming a lovely setting for the nuptials.

The musical program preceding the ceremony was given by two sisters and a cousin of the bride. Miss Imogene Sapp of Cameron, wearing a beige chiffon, played a violin solo, 'Traumerie,' by Schumann, and she was accompanied by Miss Gladys Davis also of Cameron, who wore shell pink chiffon. The wedding song 'I Love You Truly,' was sung by a cousin, Miss Ada Mears of C. I. A. Denton, who was gowned in peach chiffon. For the procession Miss Sapp and Miss Davis played the traditional 'Lohengrin's March.'

Ushers were young Tom and Sonny McClellan of Gatesville, who were dressed in white sailor suits with wide black shashes. A third sister of the bride, Miss Sybil Alligier of Ft. Worth was maid of honor. Wearing coral chiffon, she entered with the best man, Dudley Oldham of Baylor University. Little Mary Margaret Holmes of Gatesville, fairylike in pink chiffon, scattered rose petals in the path of the bride, as she approached the altar where she was joined by the groom. Contrasting with the shades of pink noted in the gowns of the attendants was the dress of the bride, which was fashioned of a rich periwinkle blue chiffon. She wore black slippers and hose and carried an arm bouquet of pink bride's roses. The attendants wore corsages tied with ribbon the color of their dresses.

Immediately after the ceremony, Mr. and Mrs. Moss left for Austin, San Antonio and other points south. They will be at home in Port Arthur in about two weeks. The bride chose for her traveling costume a beige tweed suit with harmonizing accessories.

Attendants of the bride were remembered with lovely hand painted pictures, the scene being a hill near Gatesville said to be the exact center of the state of Texas. She herself was the recipient of many beautiful wedding gifts.

The bridegroom is the youngest son of Mr. and Mrs. James Taylor Moss, Jr., of Sabine Pass.

The bride is well known in Cameron, having visited here on several occasions with her sisters, Miss Imogene Sapp and Miss Gladys Davis. The four sisters, Misses Sapp and Davis, Miss Sybil Alligier of Fort Worth and the bride enjoyed a house party at the Mears home in Gatesville for several days prior to the wedding.

PRESBYTERIAN AUXILIARY

The Presbyterian Auxiliary met in circles Monday afternoon for Bible study. Circle one met with Mrs. G. E. Sutton and she also led the lesson. Circle two met with Mrs. Will Ford, and Mrs. C. W. Lawrence led the lesson from the book of Acts.

Mr. and Mrs. J. H. Sapp had as their guests Monday their son, H. M. Sapp and his wife of Galveston. They left Tuesday for Hillsboro, Dallas and Fort Worth and will return to Cameron for another visit the latter part of next week.

Makes Ice Despite Great Heat

INTENSE interest has been aroused by the heat test being shown in Frigidaire display windows throughout the United States, where subjected to temperatures of 120 degrees, this electric refrigerator freezes ice cubes. This unusual demonstration followed engineering research to determine the maximum temperature under which this could be accomplished. With sides of the cabinet subjected to a radiant heat temperature of 180 degrees, tests showed ice could be frozen.

DELEGATES ARE NAMED PARENT-TEACHER MEET

DELEGATION TO ATTEND CONVENTION IN MARLIN ON APRIL 28, 29 AND 30

Cameron delegates to the district convention of Parent-Teacher Associations to be held at Marlin, April 28, 29 and 30, were appointed by Mrs. H. E. Garner, president at the regular meeting of the local organization at the Yoe high school library last Thursday afternoon. Those named were Mesdames J. B. White, J. P. Love and E. A. Wallace of the parents Miss Irma Porter from the Ada Henderson building and either Miss Mary Lake Henderson or Miss Jollye Blanche Pitts of the high school faculty. The Cameron organization has a chance to win two or more loving cups at the meeting and therefore it is hoped that we may be well represented.

Officers for next year are to be elected at the next meeting of the P. T. A., which will be on the second Thursday in May, and in view of this fact Mrs. Garner appointed the following nominating committee: Mesdames J. C. Martin, J. P. Love, Henry Hefley and J. B. White and Miss Grace Mangum.

Mrs. Ben Atkinson brought a report of the meeting of the County Council of Parent-Teacher Associations, which was held at Hoyte on April 5. At this time the following new officers were elected: Mrs. Clyde Hensley of Hoyte, president; Mrs. Earl Leach, of Minerva, vice president; Mrs. W. P. Elliott of Buckholts, secretary, and Mr. Monroe Walker of Friendship, treasurer (re-elected). The County Council, according to Mrs. Atkinson's report, voted to give to its retiring president each year a life membership in the National Congress of Parents and Teachers and this year the gift goes to Mrs. E. P. Survan of Thorndale. Earlier in the year the council bestowed a similar gift on Mrs. Kathryn Robbins, county superintendent.

Following the transaction of business at the meeting Thursday, Mrs. H. E. Garner gave a resume of the year's work of the Parent-Teacher Association, summarizing in splendid manner the achievements and giving the exact status of the club at the present time. As a tribute to her for her faithful service during the year as president, those present, led by Mrs. T. A. Fisher, gave Mrs. Garner a rising vote of thanks.

In the attendance contest being conducted in the Ada Henderson school the fourth and fifth grades tied for the award, a pot plant.

CHRISTIAN CHURCH

The revival started last Wednesday evening and is attracting very good audiences. Rev. Arthur Hyde is the evangelist and his messages are very inspirational. Rev. Hyde was with us last year and says now that he sees a marked improvement in this congregation. Mrs. Hyde has charge of the junior choir and in response to her efforts the children read the scriptures and sing for us at each evening service.

The meeting will continue through Sunday evening. Thursday evening the sermon was 'Jesus on Trial,' Friday evening 'The Crucifixion—An Atonement for Sin,' Sunday morning 'The Risen Lord,' and Sunday evening 'The Significance of the Resurrection.'

Sunday school Sunday, April 20 will be at 9:45 a. m., the respective church hours are 11 a. m. and 8 p. m., and both C. E. Societies will meet at 6:45 p. m.

MODEL GAS KITCHEN ON WHEELS SHOWN IN CAMERON TRADE DISTRICT

The Lone Star Gas Company has recently introduced a novel method of demonstrating compressed natural gas delivered in portable steel cylinders to homes not having pipe line gas service.

A model kitchen shown in Cameron trade district this week has been especially designed and constructed on a truck chassis. This traveling kitchen tours the suburban communities of Texas giving special demonstrations with compressed gas.

The interior of the truck is equipped with standard gas appliances, including a cook stove, water heater, refrigerator, lights, small wall heater and iron. These appliances receive a supply of gas from a standard installation mounted on the rear in a

steel cabinet exactly the same as the installation for service in the home.

Two cylinders are included in the installation. As one cylinder becomes empty it can be cut off and the other turned on; the empty cylinder can be replaced without interrupting service.

The Community Natural Gas Co., of Temple, the distributor of STARGAS in this territory brought this kitchen to this district.

Manager George Gott of the local office is pleased with the reception to the new equipment and the favorable impression made on the people. The slogan, 'Stargas starts where gas mains stop,' is proven because it is now possible to have gas in the rural homes and all conveniences that goes with it.

Old Resident Visits Friends In Cameron

Sam Reese, former resident here and a pioneer of Texas, now residing in Runnels county, was in Cameron Friday to visit with old friends here. Mr. Reese is a brother of the late Dr. J. C. Reese and spent many years in Cameron as a resident.

When a correspondent of this news paper met Mr. Reese he was discussing the progress of Cameron with T. S. Henderson, Sr., an old friend. They came to Cameron at practically the same time back in the seventies. Mr. Reese told many interesting stories of the old days. He

said he plowed cotton where the Yoe High school building now stands and that on a recent visit here went out to view the surroundings of the old field, finding buildings and many beautiful homes. He said he was quite lost in the new surroundings.

Mr. Reese has been engaged in farming and stock raising out in Runnels county for a number of years. He was on his way to visit friends near Waco before returning to his home near Ballinger.

NO MEDICINE EVER HELPED AS DID KONJOLA

TULSA LADY IS ENTHUSIASTIC ABOUT NEW MEDICINE—'BEST IN THE WORLD,' SHE SAYS

'No medicine ever helped me as did Konjola,' said Mrs. G. I. Crabaugh, 739 Quaker street, Tulsa. 'For more than nine years I had trouble with my stomach. Gas accumulated after meals and I bloated terribly. The pains and pressure often made me short of breath and dizzy. Constipation was another of my worries

MRS. G. I. CRABAUGH

and I became an almost daily user of cathartics. I had terrible headaches and found it difficult to sleep. My nerves became badly affected and my general condition badly run down.

'I am delighted with the results I obtained from Konjola. Before I had finished the second bottle my constipation had been relieved and my stomach greatly improved. As I kept on with this great medicine my general health improved until I am feeling better today than I have in a long time. I have an excellent appetite and eat heartily without distress. Ever neuritis which attacked me occasionally has been totally driven from my system. I cannot say too much in praise of this great medicine.

Though Konjola works quickly, six to eight bottles are recommended as a fair trial. Although many people are benefitted within a few weeks, the longer period is best.

Konjola is sold in Cameron, Texas, at the George A. Thomas & Sons drug store and by all the best druggists in all towns throughout this entire section.

Mr. and Mrs. Ben Atkinson attended the Round-Up festivities at the University of Texas last week end and visited their daughter, Miss Florence Atkinson. They went to Austin by way of Giddings, where they were joined for the remainder of the trip by another daughter, Miss Katherine Atkinson, who teaches at Giddings.

COATED TONGUE

Often Sign of Biliousness That Indicates the Need of Black-Draught.

Austin, Texas.—'In the sixteen years of my own housekeeping, Theodor's Black-Draught has been my best stand-by in the way of medicine,' says Mrs. J. M. Rich, of 1700 Holly Street, this city.

'I have found Black-Draught to be the best medicine I have ever used for the relief of colds. I have been using it in my home for years. My father used it also in his home and gave it to his children. Whenever we had the usual children's complaints, mother would make up a tea of Black-Draught and give us. We always felt better after taking it.

'I also give it to my children when they have colds or upset stomach. Sometimes they get feverish from biliousness. If they begin to get yellow, or their tongues are coated, I make a tea (of Black-Draught) and give to them in small doses. They don't mind taking it at all.'

In thousands of families, Theodor's Black-Draught has a corner all its own on the medicine shelf. In use nearly 100 years.

Theodor's Black-Draught is a purely vegetable medicine, free from harmful mineral drugs. Costs only 1 cent a dose.

Balmy Texas Weather Not Like The Snows In Far Away Erie

Louis Siedelmeyer of Erie, Pa., father of Mrs. F. C. Fahrendorf is in Cameron on a visit and will probably leave for his home next Tuesday. He has just received a clipping from his home paper telling of the weather there as follows:

Although maintenance crews of the state highway department worked all last night trying to clear snow-blocked roads in the extreme northwest part of the state, three sections of highway in Erie and Crawford counties were reported closed Wednesday.

On six other thoroughfares traffic in spots was restricted to the use of one-way lines, due to drifted banks of snow.

For 48 hours continuously snow crews of the highway department battled with the worst April blizzard that has swept over any part of Pennsylvania in years.

Between Cambridge Springs and the Erie county line the Lakes-To-Sea highway, Route 5, was reported closed by snow drifts, while Route 19 has one-way traffic lanes between Cambridge Springs and Erie city.

Route 8 from Wattsburg to Erie, and Route 89 from Wattsburg to North East, are closed by drifts.

One way traffic lanes have been opened on Route 19, Erie to Cambridge Springs; Route 18 Girard to Albion; Route 79, West Springfield to county line; Route 8 Union City to Titusville; Cambridge Springs to Erie county line and Route 18, Conneautville to Erie county line.

Quarterly Report Of The Jones Prairie Epworth League

We are glad to report that our League is alive, wide-awake one, though some might feel that we are too few in numbers to amount to amount to much but just watch us try anyway. After removing, by request all names from our roll, of those not interested and who would not attend we have very few names left, but we are all workers, doing gladly anything required of us to make our part of this great work a success.

We are busy with our mission and hand-book study courses, being nearly ready for our examination in the latter. All our pledges have been paid and our plans are for a busy summer.

We have paid our registration fees for three delegates to Summer Assembly and we hope to keep up with the work in our own Union and District.

On the last Friday night in February we enjoyed our monthly social in the home of our president, Ollie M. Smitherman. The second Sunday night in March we helped the young people of Oneaville to organize a League, then several of our Leaguers attended the Brazos Valley District League Institute in Cameron.

For our April social activities we are to have a sunrise breakfast on Easter morning followed by a devotional exercise and short Easter program, after which our Leaguers will leave immediately for Cedar Springs to attend the Brazos Valley Union meeting where we hope to meet all other leaguers in the Union.

MRS. EBER FLINN HOSTESS TO YE MERRY WIVES CLUB

Mrs. Eber Flinn was hostess to members of Ye Merry Wives Bridge Club at her home last Friday afternoon when pink roses were noted about the rooms and formed a color scheme for the party. Mrs. Charlie Frank Green made high score and was awarded a decorated waste basket, and Mrs. Dan Collins, second high, received an ash tray. Table cuts bottles of Shari perfume were won by Miss Rosalie Baskin and Mesdames John C. Young and Vernon Roberts.

Following the games the hostess served ice cream and cake.

MRS. GEO. F. CHILDRESS, JR. HOSTESS TO BRIDGE CLUB

Various kinds of flowers in all the pastel shades and Easter novelties about the rooms were constant reminders of the season, when Mrs. G. F. Childress, Jr., entertained members of the Triple Four Bridge Club Tuesday afternoon. The motif was also carried out in the gift prizes which were dainty Easter baskets filled with confections and which were won by Mrs. Vernon Roberts for high score and Mrs. Julian Baskin for consolation.

Bamboo trays centered with baskets of rosebuds were used for dispensing a collation consisting of a salad course and strawberry parfait. Individual favors were miniature Easter baskets.

METHODIST CHURCH

The meeting at the church continues. Every night except Saturday and until Sunday, we have services at 8 p. m. We extend a cordial invitation to all to attend.

At 11 a. m., next Sunday we shall have an Easter message. We expect a great crowd and a blessed hour. At that hour we hope to receive those who may be candidates for church membership and baptize children. Let mothers who have a child for baptism bring it at that hour. Our choir will render Easter music and it will be worth hearing. We invite all who have no church home to be with us, both at the morning hour and at the 7:45 p. m. hour.

Lay Plans For The Vacation Bible School

Plans for the 1930 Community Vacation Bible School were discussed at the meeting of the Executive Board of the Federation of Missionary Societies held last Friday afternoon at the home of Mrs. J. C. Martin. Several changes are under advisement in regard to the school, one of which is that it is to be held at either the Presbyterian or the Methodist churches instead of at the Ada Henderson school as heretofore, and another is that the community school be conducted at the same time that the Baptist school is in progress.

The quarterly meeting of the Federation is to be held at the Episcopal church on Tuesday afternoon, April 29. The complete program for the meeting will appear in a later edition of The Herald.

Yoe High Students Win Second In District Latin Tournament

Yoe High school entrants in the district Latin tournament held at Cleburne last week end won one second place and two third places of the meet. George Tiffany Moore won second place in the fourth year Latin essay writing contest; Miss Dorothy Kidd won third place in the second year essay writing contest; and Misses Frances Sharpe and Bonnelle Neinst won third place for Yoe High school in the fourth year Latin test.

According to Miss Velda Walker, head of the high school Latin department, Waco high won all first places. Among the other schools competing were Cleburne, Brownwood, Bryan, Hillsboro, West, and many others. There were about 200 individual contestants. All visitors were entertained in Cleburne homes and a feature of the entertainment was a banquet given by the Latin students of the Cleburne high school in honor of their visitors.

Those from Cameron going for the tournament were Misses Frances Sharpe and Bonnelle Neinst, fourth year students; Dorothy Kidd and Frances Smith, second year students; and Viola Sustek and Lois Peck, first year students. Others in the party were Miss Velda Walker, Mrs. J. A. Sustek and Mrs. David Smith.

LATIN PUPILS CELEBRATE WITH ANNUAL PARTY HERE

Fourth year Latin students of Yoe High school held their annual party which was in the form of a dinner dance this year, Wednesday evening at the home of Miss Dorothy Lesovsky, beginning at 7:30 o'clock.

The dinner was served at small tables, the menu consisting of pineapple salad, a chicken salad main course and an ice course. Favors were corsages and buttonnieres of sweetheart roses. Misses Viola Sustek and Lois Peck who represented the first year Latin classes at the district tournament held at Cleburne last week end, assisted in serving.

Games of bridge and 42 and dancing to music by Joe Rowland's orchestra were enjoyed later in the evening.

Members of the class are Misses Imogene Sapp, Winifred Bickett, Julia Mae McCollum, Dorothy Lesovsky, Katherine White, Amboline Mode, Estelle Lamkin, Frances Sharpe, Bonnelle Neinst and Ada Margaret Smith; Messrs. Ben Atkinson, Jr., George T. Moore and Owen Modisett. Each of these was privileged to invite one guest for the affair Wednesday.

WIN IN LATIN MEET

In the district Latin Tournament at Cleburne, Frances Sharpe and Bonnelle Neinst placed third in the fourth year class; Dorothy Kidd placed third in the second year class and George Moore placed second in the fourth year Latin essay. Miss Velda Walker is Latin teacher in Yoe High school.

FLASHLIKE ETHYL GAS POPULAR PRODUCT HERE

R. J. LONG, LOCAL HUMBLE AGENT EXPLAINS REASONS FOR POPULARITY OF MOTOR FUEL

Since 1926 when the Humble Oil and Refining Company first began supplying Texas motorists with Humble Gasoline compounded with tetraethyl lead, the demand has grown so that now thousands of dealers and garages sell this product all over the state of Texas. The reason for this, R. J. Long, popular local Humble Agent, says is that every day more and more motorists demand a quieter more powerful motor and greater driving comfort. To get these advantages they are glad to pay the extra 3 cents per gallon charged for Flashlike Ethyl Gasoline and every day increasing numbers of filling stations are selling it. They find that it brings them satisfied customers.

An example of what experts think about Flashlike Ethyl Gasoline is seen in the fact that the Humble Oil and Refining Company has contracted with the government to supply ethylized airplane fuel for use in all army planes in Texas. It is also greatly in demand at private flying fields. Developed in the General Motors Research Laboratories, Ethyl compound is a product which knocks out the knock in the engine. In the course of research it was found that it is the fuel, and not the engine, that knocks. This Ethyl brand of anti-knock compound, which is added to Flashlike Gasoline to make Flashlike Ethyl, is a liquid consisting of tetraethyl lead, ethylene dibromide, halowax oil, and red aniline dye. The tetraethyl lead is the ingredient which knocks out the knock. It is made from alcohol and lead, and it is twice as heavy as gasoline. Ethylene dibromide is a compound which prevents the tetraethyl lead from forming lead oxide during the combustion. Halowax oil is an extremely efficient lubricant which keeps the exhaust valve stems from burning dry. This prevents sticking and burning of valves. The user of Flashlike Ethyl Gasoline can expect it to make his engine run more smoothly, deliver more power, particularly on hills and heavy roads, accelerate more quickly, need less gear shifting and stop knocking.

For purposes of identification only, Flashlike Ethyl Gasoline is colored red. Red aniline dye is used in minute quantities. Remember, however, that all red gasoline is not Flashlike Ethyl. In addition, remember, too, that Flashlike Ethyl Gasoline is a combination of tetraethyl lead, above described, and Flashlike Gasoline, which in itself is a superior motor fuel. The same 110 initial, 400 end point gasoline you see so regularly advertised.

Cameron Declaimers To Waco Saturday

Cameron declaimers who won first and second places at the County Meet at Rockdale recently will compete in the district meet at Waco Saturday. Miss Mary Jane Burnett from Yoe high school and Miss Patsy McGregor and Giles Avriett Jr., from the Ada Henderson school will enter the meet from Cameron. They will be accompanied to Waco by T. A. Fisher and Mrs. Eber Flinn, who has coached them on their declamations. Mr. and Mrs. Giles Avriett, Sr., and Misses Jollye Blanche Pitts and Blanche Hensley.

Trustees Are Named For Milam County

Canvass of returns today showed in the election for county school trustees in Milam county W. A. Morrison was elected trustee at large; T. A. Fisher, trustee Commissioner's Precinct 2; Willis Vogelsang, Precinct 1 and J. O. Newton, Precinct 3. The only precinct where there was a contest was in Commissioner's Precinct 3 the candidates, both drafted, J. O. Newton and Mrs. S. S. Sheppard Newton receiving the majority.

TRADE

Your old tires in on a set of
these New Federals—

	Tire	Tube
30x3	\$4.65	\$1.05
30x3 1/2	3.85	1.10
29x4.40	5.10	1.25
29x4.50	5.55	1.30
30x4.50	5.90	1.35
28x4.75	6.60	1.45

Mere bulk never made any tire ride more comfortably. Federal engineers proved that when they designed the new Federal with the 12 per cent greater air cushion.

The new Federal De Luxe also gives you mileage that is mileage—50,000 miles and more. That means excess mileage—a new factor of safety that makes every mile a carefree mile.

Also you get a new Rim-Wide, full contact Tread that's silent and non-skid.

You get longer, more flexible yet stronger side walls. New smartness in appearance. Better braking. Faster acceleration. Lower gas consumption and easier steering.

Sounds impossible, doesn't it? But

just read this astonishing 'Money-Back' Guaranty.

"Money Back" Guaranty

'If after 30 days' use you are not fully convinced that these new-type Federal Tires give you more luxurious, air-cushioned riding comfort, better acceleration, easier steering, firmer braking, and the assurance of maximum mileage, return them and your money will be refunded.'

YOEMEN DEFEAT THORNDALE BULLDOGS THURSDAY

Thursday afternoon on the Lawless Green field the Yoemen defeated the Thorndale Bulldogs by a score of 9 to 5. Mike Schigut pitched wonderful baseball and but for the very erratic support, might have had a shut out. He did not allow a hit until the sixth inning. In the eighth inning he was touched for one more and in the ninth when he became somewhat careless he was hit for two more singles. He had good control walking only two men and striking out six. Neither team did much hitting and but for his wildness the Thorndale pitcher would not have allowed many runs. In the first part of the game the Yoemen preferred to wait out walks then attempt to hit the ball.

Tuesday afternoon the Yoemen went to Thorndale to lose by a score of 27 to 25. It was a very erratic game. The Thorndale team had a lead of 21 to 7 at one time but in the late innings the Yoemen tightened up in the field and put on some rally which almost tied the score. The game was in doubt until the last man was put out in the ninth to choke a Yoe rally. It was a game full of errors, walks, base hits and not much good baseball. Penny, Thorndale player got three home runs while Stach and Sims each hit one for the Yoemen.

CHRISTIAN CHURCH AID HERE ENJOYS SOCIAL AT CHURCH

Following a short business meeting conducted by the president, Mrs. Raymond Beard, members of the Ladies Aid of the Christian church enjoyed a social hour at their regular meeting Monday afternoon at which time Rev. Arthur Hyde and Mrs. Hyde were showered with gifts. Rev. Hyde, who is a former pastor of the Cameron Christian church is conducting the revival services being held there this week. He was married shortly after the end of his pastorate here and members of the congregation are enjoying meeting his wife for the first time.

Mrs. Martin Kilian, at whose home the meeting was held, very cleverly arranged the presentation of the gifts. Alarm clocks, set to sound at different times, were placed about the house, and every time an alarm sounded Mrs. Hyde searched for the clock. When she found it, she also found a group of gifts.

Mrs. Kilian served ice cream with strawberries and cake. Guests outside the membership of the Christian church were Mrs. Jessie Coward, Mrs. Jefferies of Austin and Mrs. Charles Brady.

J. B. MOCK

J. B. Mock, 72 years of age, died at his home at Walker's Creek Thursday April 10, at 3:35 o'clock in the afternoon, a victim of pneumonia. Mr. Mock contracted a slight cold which developed into the fatal disease, this being his third attack during his life time.

Funeral services were held Friday afternoon at 3:30 o'clock at the Walker's Creek Baptist church, with Rev. J. Kelly Simmons, pastor of the church, reading the last rites. Rev. Simmons was assisted by Rev. E. S. Hutcherson, pastor of the First Baptist church, Cameron, and by Rev. C.

L. Spradley, retired Baptist minister of the Little River community, who baptised Mr. Mock 39 years ago.

Mr. Mock was born at Bainbridge, Ga., and came to Texas when he was yet a young man. At the age of 32 he was married to Miss Sophronia Hillard of Caldwell and to this union were born eight children, seven of whom are living. Mr. Mock's eldest brother died suddenly at Panama, Florida on February 9 of this year. Since he united with the church Mr. Mock had been a faithful member and he was one of the leading lay members of the Walker's Creek congregation.

Surviving Mr. Mock are his wife and seven children: Erie Mock of Oklahoma, Elbert Mock of Rosebud; Mrs. M. C. Aldrich of Temple; Mrs. Joe Rowland of Cameron; Mrs. L. A. Johns, Miss Ethel Lee Mock and J. B. Mock, all of Walker's Creek.

Interment was in the Walker's Creek cemetery with Coleman and Eplen in charge of arrangements. Pall bearers were Charlie Hightower, Leo Hawkins, R. H. Birklebach, Roy Hightower, H. B. Hairston and Dewey Hightower.

MISSIONARY SOCIETY

Reports from the Cameron delegates to the recent state conference of Methodist Missionary Societies held at Port Arthur were heard at the regular meeting at the church Monday afternoon. Mrs. H. N. Tate represented the Cameron Society and Mrs. W. O. Triggs also attended the meeting as secretary from this district. Her secretary book received the distinction of being placed on the honor roll. These secretary books are not audited but they are examined carefully and graded.

The president of the local society, Mrs. Lena Baskin, led a devotional preceding the hearing of the reports.

BAPTIST W. M. S.

Members of the W. M. S. of the Baptist church met in circles Monday afternoon for Bible study. Lillie Mae Hundley Circle met with Mrs. M. C. Sapp with 11 members present. Mrs. W. H. Henley led the lesson. Lottie Moon Circle met with Mrs. Tracy Hobson with 8 members present and one visitor and Mrs. John Denson was

leader. Eunice Taylor Glass Circle met with Mrs. M. G. Cox with 15 members present and Mrs. John A. Smith leading the lesson.

The ladies are sending an egg show-er this month to Bunckner Orphanage at Dallas and the members brought their donations Monday afternoon. Each member was also asked to bring a dime to be used towards purchasing Easter remembrances for a student at Baylor University whom the W. M. S. is helping thru school.

Next Monday afternoon the circles will meet as follows: Lillie Mae Hundley with Mrs. Preston Graves at three o'clock; Lottie Moon with Mrs. John Hause at 3:30 o'clock; and Eunice Taylor Glass with Mrs. John Dobbins at 3:30 o'clock.

Cottage prayer services are being held by the circles each afternoon this week for supplication for a successful revival meeting at the Baptist church, the services being held there each evening.

W. H. Parker of Lockhart, formerly a citizen of Cameron, was in the city last week end greeting old friends.

Happiness In Your Own Home-- Build Now!

It's no fun to live under the same roof with several other families, with only thin walls between. Even a private house is little satisfaction when it belongs to somebody else. A home of your own is what you want—and the sooner you build, the sooner you free yourself from the burden of rent.

Our building service has helped others and we can be of service to you in building your home. We have the material and the price and we are anxious to serve you. New stocks of lumber and all kinds of building material await your command plus our service and appreciation of your patronage.

Texas And Texans

By Will H. Mayes

'Local-Mindedness'

Coining a term to fit, some Texas towns are almost wholly 'local-minded,' which means about the same thing as narrow or self-centered when applied to individuals. These have acquired such a localized vision that they do not see beyond their own horizons. A person may become so accustomed to his run down cabin that all desire for a better home is lost.

A people can grow so used to their local surroundings that they lose all desire for anything better.

Texans need a greater sense of 'state-mindedness' of a kind that has made California and Florida far-famed. As leaders of public thought, local newspapers can arouse and maintain this spirit. Towns and communities seldom think or act ahead of the local press. A united effort of the Texas press, a State-wide synchronization, is necessary for the greatest progress of the state. This 'Texas and Texans' feature is a part of this paper's contribution to that effort.

Two Rows at a Time SAVES MONEY

YOU OUGHT to see this Case 2-Row Cotton Cultivator "double time" through the rows. It meets every requirement of clean, fast cultivation—so necessary when you've got to hurry—so important to low production costs and maximum profits.

Smooth working parts and simple construction provide easy operation. A slight pres-

sure on the convenient foot pedals shifts the gangs and pivots the wheels—providing a wide dodging range. Easy to follow the rows.

Cultivating depth is controlled by easy-working hand levers. Spring-assisted master lever raises and lowers all gangs easily. Equipment includes a variety of standards, spring trips, shovels and sweeps.

You want to see this long-lasting, light-running Case 2-Row Cultivator. Come in any time—we're always glad to see you—always on the job.

delay action much longer would be unpardonable on the part of those to whom this important matter is entrusted. Legislators must be elected who will give their unqualified support to the movement, the people of the state must be aroused by intensive publicity in which the whole press must heartily unite; outside interests must be enlisted; vast projects, educational and entertaining, must be worked out; suitable buildings must be erected and grounds made beautiful; exhibits commensurate with the state's growth, its present wealth and its future prospects, must be assembled and arranged. There is a great work ahead and all too little time in which to do it right.

Flower-Liner Roads

Northern tourists visiting Texas at this time of the year find the flower-lined railroads and highways a source of constant delight and surprise. The impressions made by these flowers upon those coming directly from the cold north can hardly be imagined by those of us who have lived so long among Texas flowers. But even the Texas tourist is often thrilled by the beauty of the flowered lanes of the state. Just now there are hundreds of miles of highways bordered with pimientos, bluebonnets, verbenas, phlox, and many other native flowers, and in many places roadside fields and pastures are carpeted with solid beds of flowers of all shades. Civic clubs can do no better work, at so little cost than seeing that every country roadway is kept lined with the wild flowers of Texas.

Prosperity In Evidence

The Colorado-Llano river sections around Bertram, Burnet, Marble Falls and Llano, are already showing evidence of the prosperity that will increase rapidly with the beginning of actual work in the dams, six of which are to be built. The company that will build the dams is busily buying flowage rights and drilling tests for the dams. Lands that will be overflowed, on which options are held are being bought outright and the owners are buying other nearby lands. Machinery is being placed for a \$250,000 gauze factory in the old mill building at Marble Falls. Plans are under way for increasing the granite output in Burnet and Llano counties. The great lake, to extend 35 miles along the river will be the largest artificial lake in the country. Health resorts and lakeside homes will be built along its banks among the hundreds of beautiful hills that give a pleasing variety of scenery. Texas is indeed a wonderful state to those who know their Texas.

Presidio to Mexico

Work on the Santa Fe expansion to Presidio will probably be completed by October 1, thus opening another gateway to Mexico and giving an outlet to the north for the rich products of that section. The country about Presidio is especially rich in minerals and has immense stores of marble and granite—enough to supply the entire country for centuries. Presidio seems destined to become an important port of entry and a city of size and wealth. Tourists find the beauty of the scenery of the entire 'Big Bend' section unsurpassed by any other mountainous country.

Big Texas Cavern

A large cavern, recently discovered in San Saba county, near Richland Springs, is being explored. Its proportions have not yet been determined but it is known to contain several large rooms with many stalactite and stalagmite formations of great beauty, with figures in them as unusual and grotesque as any found in Carlsbad Cavern. The explorers hope to be able soon to determine the size of this cavern and that it may be of a kind to attract many visitors.

Showing the Way

E. C. Caldwell, an Odem farmer, who has been planting vegetables on a large scale since 1925, has recently gathered 800 acres of radishes and 600 acres of beets on a 1400 acre farm and the same land is now planted to cotton and other crops. He was comparatively poor a few years ago but by applying intelligent methods to diversified vegetable growing and farming is now worth a quarter of a million dollars. Other growers may not be able to plant and market on so large a scale but by combining their acreage and cooperating in marketing it is possible for others to do proportionately as well as Mr. Caldwell has done.

Non-Cotton Farming

Dr. A. W. Odell has an 1800 acre farm near Goliad on which he is growing pretty much everything except cotton, using modern electric motor power and gasoline operated tractors having only one team of mules and one horse on the place. He has beef and milk cattle, turkeys, chickens and hogs on the place, and grows feed-

stuffs of all kinds for these and is cultivating all the vegetables adaptable to that climate. He doesn't expect to sell anything of the place except livestock, dairy products and vegetables, and is demonstrating that electric and gasoline equipped machinery can be most successfully and economically used in Texas farming. The experiment is being watched with much interest, for if it proves profitable on an 1800 acre farm it should pay equally well on a 100 acre place.

Planting Orchards

Fifty farm orchards have been planted this year in Young county under the direction of the county home demonstration agent. An agent who can secure such results is worth her salary to any county.

'Let George Do It'

The Mason News reports that a Mason business man who buys his stationery from out of town and uses envelopes from the Government Printing Office had the temerity to urge the News to get behind a local project 'and boost it or else it will die out.' How long would it take enough men of that kind to kill Mason or any other town?

Co-operation With a Vim?

An El Campo business concern advertised that there are three bakeries one creamery and one feed milling company in El Campo, yet some 'co-operative merchants' are buying these products out of Houston. Some people are just 'queer,' aren't they?

Going After Results

Wilson county has a county farm agent who has been sponsoring the planting of black-eyed peas in the country, the result being that contracts have been made for the planting of 4600 acres, distributed in the various sections of the county. There would be more, but the supply of seed peas gave out and the price of seed bought now would be prohibitive.

THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of this notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

NOTICE

The State of Texas,
To all persons interested in the Estate of W. T. Mowdy, deceased. Notice is hereby given that W. P. Mangum, administrator of said estate, has filed in the County Court of Milam County, his final account of the condition of the estate of said W. T. Mowdy, deceased, which will be heard by the County Court of Milam County, Texas, at the next regular term thereof, to be begun and holden at the court house in Cameron, on the first Monday in June, 1930, same being the 2nd day of June, 1930.

Now, therefore, this is to require all persons interested in the Estate of W. T. Mowdy, deceased to appear and contest the same, if they see proper.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of office, in the city of Cameron, Texas, the 14th day of April A. D., 1930.

Attest: Homer Nabours, Clerk,
County Court, Milam County.
52-4tc By Meta McCown, Deputy.

Smashing Proof ... of greatest value

All motordom saw the amazing results of Challenger week. The New Essex Challenger set outstanding marks in every locality.

It climbed hills seldom attempted by any car. It set new marks for acceleration. It established economy results never before associated with such performance.

These feats were established—not by just a few handpicked specially tuned cars—but 5,000 Essex Challengers in all parts of the country, many of them owner-driven. Results speak for what every New Essex Challenger can do.

We continue our invitation, Ride—Ride—Ride! Know yourself what this brilliant New Essex Challenger can do. Then no lesser car can satisfy.
